Article published on December 9th 2011 | Travel

India tour and travel is not a new thing. Everyone is aware of it and also knows how big the entire industry is India tour and travel and tourism can be defined in different forms depending on the point of view of various sections of society. For the instance if we are talk about the tourists' point of view then it can be referred as the practice of traveling for leisure and pleasure, another hand if we are talk from the point of view of the people involved into this business then India tour and travel would be considered as the business that provides tours & services to the tourists.

India tour and travel are often used interchangeably as both have similar meanings. For last few decades, this industry has more experienced an up market. There are many reasons for this development one of which is surely the better economic conditions of people.

India tour and travel has developed as a huge business industry in almost all parts of the world but as far as India is concerned the country has seen tremendous changes in recent years in this regard. The country has always been one tour and travel destination that people wanted to explore the most. People not only from the country within but also from overseas have always been very fond of India and its tour and travel attractions.

The country has a rich cultural heritage that has always been a major tourism attraction for overseas people. There are so many beautiful places to visit in India like Assam, Andhra Pradesh, Goa, Delhi, himachal Pradesh, Uttrakhand, Kerala, and many more. There are many more tourists' attractions like historic monuments, nature tourism, wildlife, hill stations, beaches and lots more to explore.

India has a many popular place of tourism which is given below.

o Wildlife tourism

o Adventure tourism

o Medical tourism

o Pilgrimage tourism

o Eco tourism

These all types of tourism have marked great growth in last few decades. There are many sources available now that help one know about the best India tour and travel destinations not only in India but also in all other parts of the world. There are several tour and travel websites ready to help the tourists and there are also various other things like the travel publications and others to help the people.People can seek help out of all these sources and then there are also other people like travel agents who are also very beneficial.
