Perfect escapade in the lap of nature with Adventure Tour in Sunderban by Rahul Ranjan

Article published on December 12th 2011 | Travel

Bestowed with the worldâ€™s richest reserves of flora and fauna, Sundarban national park, is one of the biggest wild life sanctuaries in India. Famous for being one of the largest tiger reserves in India, Sunderban is a perfect vacationing spot for the animal lovers. There are huge varieties of rare species of plants and animals that are taken good care of by the authorities. Sunderban is also well known for being the largest delta in the world, formed by the deposition of the river Ganges, Meghna and Brahmaputra. Due to its beautiful natural environment and wide species of plants and animals, hundreds od people visit the park every year to get a glimpse of the wild life. A number of hotels in sunderban provide for a safe and comfortable stay.

The lush green fields, crystal clear lakes, and the mangrove forest provides for a perfect getaway spot for ones looking for some adventure and fun. â€œSundarbanâ€• the term is derived from the mangrove trees, known as the Sundari, as the area is filled with a dense cover of mangrove trees. The main wild animals that can be found here are the tiger, elephant, chital, deer, monkey, crocodiles and many more. The rare snake variety of the Indian python and the vicious cobra can also be seen here. One can also come across exotic birds such as the Caspian tern, large egret, paradise flycatcher, herring bull etc. Birding is also a fun activity at the sundarbans. Being a tropical rain forest the best time to visit the sunderban national park is the winters. Apart from animals and birds, sunderban has some of the best varieties of flora in the world. There are saltwater mixed forest, mangrove scrub and mangrove forest. The trees variety includes Kankar, garjan, genwa, dhundal, passur and many more.

One can get top class accommodation facilities at the sunderbans. There are many rest houses, amazing forest lodges and hotels in Sunderban that allows you to watch the activities of the wild animals closely in their own natural environment. Hotels and lodges are available in Piyali, Bakhkhali and sajnekhali. There are also many jungle camps where one can have a fun time with friends. Both budget and luxury hotels can be booked in the Sunderbans. Multicuisine food options are available in the hotels, with comfortable room and efficient sevices by the hotel staff. Sunderbans Jungle Camp, Sunderbans Tiger Camp, Sunder Chital Tourist Lodge Sunderban Mangrove Retreat, is some of the major places of accommodation in the sunderbans.
