Article published on December 22nd 2011 | Travel

Singapore is an outstanding tours and travel destination that is visited by nearly a record of 11,638,663 million visitors from across the globe. During the year 2008 and 2009 when every countries was fighting with the global crisis, Singapore tourism did not feel much heat though there was a slight cut down in the visit of tourists. But since then the country have seen an additional growth of 17.1 and is slowly making a development making it the Singapore the most sought after destination for tours and travels.

Singapore has so many wonderful holidaying spots and all are outstanding adorned with unique look and excellent modern facilities that make it an ideal gateway to enjoy perfect holidays with pleasant experiences of lifetime.

Singapore is amazingly gifted with scintillating wonderments that appeals the visitors from across the globe for torus to Singapore. But apart from that the excellent services, rich culture and traditions, availability of the all, scintillating sightseeing spots and the all engross the tourists to enjoy remarkable vacations in Kerala with outstanding experiences. Some of the wonderful sightseeing spots that are worth with Singapore Malaysia packages are introduced as below:

Boat Quay

Stretched from Elgin Bridge to Cavenagh Bridge, Boat Quay in Singapore during the 1860s used to be hub of trade and commerce. Today the same have changed as most of the bumboats that once used to carry the goods and cargo not today carry tourists and take them for sightseeing tours. With the increase in the visits of tourists various shops are renovated and turned into exotic trendy cool restaurants and bars to cater the needs and suit the preferences of the tourists.

Orchard Road

Orchard Road is the entertainment hub of the city state. Visited by the locals and tourists during Singapore, Orchard as it is also called by locals is the ideal gateway for entertainment and shopping. There are several projects going and more with the development of the Marina Bay and Sentosa Island it is estimated that there will be an increase of 17 million visitors per year.

Night Safari

Enjoy the holidays in the jungle that too with an incredible feeling and experiences. Night Safari of Singapore is one such experiences that one will love to enjoy and cherish for a long long time to go. It is an ideal destination offering truly a unique opportunity to enjoy vacation with outstanding experiences of lifetime. Enjoy the lovely view of the nocturnal animals in their natural setting and the astonishing move that take the breath away of the visitors. Truly itâ€™s an experience that one will love to treasure and cherish for long long time to go.

Beside all these there are several other wonderments and sightseeing spots which make Singapore an ideal holidaying destination. The world class infrastructure and the hues of the modern charm have enhanced the importance and meaning of Singapore tourism.

Enjoy the vibrant nightlife or the fine dining or stay in the luxurious hotels, Singapore has its own special place on the world tourism map. So come and explore vacation in this incredible destination

of south East Asia taking the assistance from the leading Singapore travel agents and treasure lifetime memories to make the tour incredible experiences of lifetime.
