Sri Lanka Travel: Explore the Best Sites at Affordable Price

by Emma Dsuza

Article published on January 23rd 2012 | Travel

Tourism in Sri Lanka is flourishing day-by-day as it has vast variety of tourist spots to offer to the visitors who come from every corner of the world. At the same time cheap Sri Lanka tour packages are designed for them that are way within their reach. This is the reason why more and more people are opting for Sri Lanka Travel. This beautiful island is the tropical paradise of South Asia. With its spectacular beaches, soaring landscapes, cultural heritage, wildlife sanctuary, temples, churches and botanical gardens, it has become one of the most sort after destination in the world.

Increase in the number of Sri Lanka tour packages is also due to the fact that it offers everything that a person can ask for at a very cheap and affordable price. As traveling to Paris and Switzerland is not possible for everyone because of the high budget, if you can get the same environment and natural beauty at a very nominal rate, then whatâ€™s wrong. Countless Sri Lanka Packages are at your disposal that offer you and ensure you of the best travel and accommodation facilities at the most affordable and economic rate. These Sri Lanka tour packages are a sheer delight and you will definitely enjoy your vacation either with your family or spouse.

As tourism forms one of the most beneficial industries of the place, there are many tourist attractions that compel tourists to travel all the way from the United Kingdom, Canada, Germany, France, India and even the United States. Eastern and Southern regions of the country boasts of islandâ€™s famous beaches, while historic monuments are located in the interior of the country and the mountainous regions are famous for lush green resorts. For those who have fascination for cultural and natural heritage, tourism in Sri Lanka is the best and foremost choice as it has eight world heritage sites. Cave temples, rock fortress, Lion-King tropical rainforest, botanical garden national parks archeological sites and precious stone mining are all that you can explore while enjoying Sri Lanka travel.

For those who are follower of Buddhism, Buddhist monasteries really attract them as they are acquainted to the famous religious festival to honor Tooth Relic of Lord Buddha and they get great joy to be a part of this festival. Past civil war had reduced tourism in Sri Lanka but at present Sri Lanka travel is gaining its momentum and growing rapidly.
