It was my first trip to Northern Cyprus. We were a group of five friends. we were just leading a very monotonous life before we landed here in Northern Cyprus. Well, we enjoyed a lot and we never missed not a single moment of our day without enjoying our stay their to the fullest.

How it all begun?

My friends, my college group friends, decided to go for a tour anywhere outside UK. A friend of ours was going to get married and he wanted to get married there in north Cyprus. it was, in the beginning, not decided whether we were really going to there because it was a new place for us and none of our friends ever had a chance to spend any time there. We had never been there so were a bit confused whether to readily opt for northern Cyprus holiday package offered by the UKâ€™ s best tour operator â€“ The Direct Traveller.

We were told that this trip of ours to this beautiful island would surely be an enjoyable and the most memorable trip. The words were really true. See, now, I am writing this after my visit to this exquisitely beautiful island â€“ an island where you will love to spend your time with your friends, family members, colleagues etc. a place where you can even think of writing as well. Many of the travelers can become poets here in North Cyprus.

Are you now thinking that I am here trying to exaggerate the beauty of this mall island to the last limit. Well, it is really not so. Whatever I am writing here, writing here with all my heart and I really believe that this could happen. If you are a nature lover and if you are looking for a subject for a beautiful poem on nature then this place is just for you. Come here to develop your artistic talent. Come here and be a part of the beautiful atmosphere here at Cyprus.

What I came to know of this place by being here for a couple weeks is that this island â€“ the best Mediterranean island, has two very beautiful touristsâ€™ centers â€“ Famagusta and Kyrenia.

I remember when we friends were looking for the best holiday packages then the our travel agent told us to go for such a Northern Cyprus holiday package which include tour of the whole island so that you can go to various tourist places there in the most beautiful tourist centers â€“ Famagusta (the wall city) and Kyrenia (seems to have the most ancient tourist sites). If you are a historian and you are looking for a place where you can have the chance to gather some info about the life of Greeks then this place is really an ideal place.

Here are the most renowned libraries so you can have the chance to devour all knowledge from the books you would love to read from the most successful historians.

The hotel where we stayed was in Bellapais Village. The village area was very attractive. The hotel was perhaps named after this ancient village â€“ bellapais monastery village hotel. The moment we landed on Larnaca airport we got our car there waiting for us and took us to the land of beauty â€“ north Cyprus. There are many cheap flights to Cyprus. You can have the chance to choose from various Larnaca flights and Ercan flights.
