A bus journey that strikes the exact sweet spot in group travel by David

Article published on May 22nd 2012 | Travel Tips

New York and Washington DC are great destination choices for your vacation plans. Both the places has so much in store to offer for you and you can be certain to experience one of the best vacations you could ever undertake which you are bound to cherish for the reminder of your life. Life as such is quite complicated that is highly hectic and stressful. The only solution for our problems is to take a vacation when the opportunity presents itself and travel together with a huge group comprising of friends, family and relatives. And you must never miss the opportunity to visit America, the land of opportunities, especially New York and the capital city Washington DC.

Plan a long vacation and get to experience both the cities. Come down to New York and experiences its world renowned and popular night life. Take a bus trip to Washington DC and experience everything that the nationâ€™s capital has in store for you. NYC to DC bus is certainly quite scintillating in terms of the features it supports. The Express bus service providing industry has come a long way in terms of technological advancements that ensures high end services and comfortable as well as luxurious journey experience. It is the perfect way to travel from New York to Washington DC with your family. Of course, you can choose to travel via flights, trains or even take charter vehicles all the way for the trip. But then, often youâ€™ll find availability of tickets as the primary issue and cost of services to be quite expensive when you opt for such modes of transportation's.

Thatâ€™s not the case with Express bus services. NYC to DC Bus tickets are highly nominal and certainly affordable. If your group consists of young men who are students, you can also avail for student discount options and save more on your journey tickets. These bus service providing companies are highly versatile and comprehensive in terms of their services. You donâ€™t even have to think twice when it comes to making use of their services.

Besides, the whole point of your vacation is to stay together and enjoy together at all times. What other better ways are there to travel as one big family?

When it comes to traveling between NY to DC, DC to NYC bus serves to be the best and optimal solution you could ever find. It has all the facilities you would ever need when it comes to traveling with comfort and luxuriously. You have seats that could recline up to 180 degrees giving you a comfortable position throughout the trip. You have sufficient leg room space as well as arm rest space for a spellbound travel experience. You have power outlets for charging your mobiles, laptops and many other similar gadgets. You have free WiFi facilities for surfing. You can even stream movies online without any disturbance. You have a giant LED screen playing movies of popular choice. You can get to see your favorite family movies together. You have highly clean and hygienic restrooms. No more do you need to wait to get to a filling station to make use of restroom facilities. The bus representatives are highly professional in their services and they take very good care of you and your family.

All you need to do is research thoroughly, choose wisely and plan your trip at the earliest!!!
