Jaipur - a Splendid City of Vibrant Colors by Sanjana Singh

Article published on May 4th 2012 | Travel Tips

Jaipur is located in the eastern part of Rajasthan in India that is well known for its fortresses, majestic palaces, architecture and its beautiful art of pink sandstone. Jaipur is called the Pink City for this extraordinary sandstone that is available here and has been used to build the heritage buildings and palaces.

This planned city has always attracted tourists and historians to enjoy and know more about this marvelous city. Travelers often choose to travel with a group so that you do not miss out any important places. So it is best to avail of the Jaipur tour packages and enjoy a lovely vacation. The city is full of amazing places that leave travelers simply gaping in wonder. The main attractions in Jaipur are the City Palace, Hawa Mahal and the huge forts like Nahargarh Fort, Amber Fort, Jaigarh Fort are really wonderful. Being a planned city, it is beautifully decorated with gardens with colorful flowers and mesmerizing natural surroundings make the place all the more enchanting. Desert safaris are arranged by the travel agents also. If you wish you can travel around on camel back.

Apart from the palaces and forts, this colorful city has a lot in store for shoppers. You will get turbans of brilliant colors and sarees all in the Jaipuri Bandhni style. It is a famous art of Rajasthan and this tie-and-dye art is very popular all over India and abroad. The bustling bazaars are full of small shops apart from the well known jewelers that sell fantastic jewelry. The area boasts of exotic semi-precious and precious stones and they are marvelously utilized in the making of exquisite jewelry.

If you avail of Jaipur tours, you will not have to worry about your accommodation or traveling. The tour conductors will accommodate you in the majestic Jaipur Hotels. The well known among them is the Karnot Mahal that stands in the center of the city. It is located near to all the interesting places that tourists visit. A tour to the zoo and the planetarium will please the kids surely. Every part of the capital city of Jaipur hails the rich culture, tradition and architectural heritage of the state. All ancient artifacts are preserved with great care. It is a perfect destination for nature lovers as well as artists. The Aravalli Mountains add a special touch to the scenic beauty of the gorgeous city.

The majestic Jaipur hotels offer great royal luxuries to the guests. The rooms are elaborately designed with marvelous paintings and elegant furnishings and furniture that add a touch of royal era. All amenities like room services, well equipped bathrooms and TV are offered by almost all hotels. They also arrange for sight-seeing tours in luxury Volvo buses. The foods served in the restaurants are delicious and has a flavor of the state. Various kinds of cuisines are also available at the 5-star and 3-star hotels. You would really enjoy your tour to Jaipur.
