Kerala and the close encounter with the beauty of the region by Alisha Singh

Article published on November 29th 2011 | Travel Tips

One gets really flabbergasted at the beauty of the wonderland called Kerala. This piece of wonderland is located in the southern belt of India and has been listed in the top 50 world destinations to see in the life as per international travel media channel. The beauty of Kerala is not only splendid but also pristine and trip of this wonderful land of paddy fields, coconut grooves, the beaches, backwaters, resorts as well as the temples is one of the mesmerizing experiences of life. This is excellent spot for the purpose of celebration of the honeymoon because there are hill stations as well as the sanctuaries in this state. Generally, the backwaters and the honeymoon in the boat in Kumarakom can be one of the finest experiences is life. You sleep in the blue waters under the nature care of the stars as well as the wonderful beauty of the mesmersing greenery and you get up with those melodious bird sounds in the majestic beach waters of this exotic destination in the world. It will be better if you see this wonderful state through some exotic Kerala tour package. When you go for such packages, you have the associated advantages and these include the benefits of wonderful accommodations like resorts and hotels as well as the luscious continental as well as the traditional Kerala cuisines.

Kerala has been described as the Godâ€™s own country in the international tourist circles and this land of pristine beauty will provide you not only the peace but also the relief from the day to day mechanical life. The scenic beauty of the Arabian Sea from the city of Cochin, the mesmerizing temples of Thiruvananthapuram, the cathedrals and old temples in the city of Trichur make one of the finest experiences of life. Kerala not only has the temples of eminence based on the old Hindu legends but it also has the waterfalls near Trissur and the wonderful hill stations like Munnar, Thekedy, Wayanaad and many more. The Kerala trip provides you the best of enjoyment be it the ayurveda massage on the splendid beach of Kovalam. The European women love this beach and many used to bathe topless here once upon a time but it has stopped now a days and is confined to the private resorts near the beach. Nude ayurveda massage from the experts for both men and women is available in many resorts in the Kovalam beach.

India is one of the beat countries as far as the tourism is concerned and there is a boost in this area with the inflow of the tourists from the different parts of the world. Kerala tourism is on a high and the state earns good revenue because of the boost in this area. The state is one of the top agriculture states in the country and has lot of earning potential when it comes to the spice trade and business of other agricultural commodities. You should not miss the views of the internal village beauty of Kerala when you go for the backwater cruises from places like Allepy, Kottyam and many more. Kerala tour packages provide you the best of the spots in the region.
