Capture Your Photo in a Perfect Portrait Painting by [Julia Roger](#)

Article published on June 27th 2012 | [Art](#)

You all must be well aware of the concept of capturing those precious moments of your life in the form of a photo or a picture. While it still holds true, there is nothing as classy as having your beautiful moments captured in the form of portrait paintings. This is because these portrait paintings are associated with a sense of timeless beauty and sheer sophistication which can add volumes of depth to that special moment of yours.

You will come across thousands of artists who have a great deal of experience in converting digitally clicked photos into portrait paintings. They will create an exact replica of your photo with careful and professional strokes of their brush. In addition to this, these timeless bronze sculptures are produced on the finest of materials so that they look even better than the original picture and have a good life.

Portrait paintings are not only suitable to adorn the walls of your own home and add a touch of class to the room, but these make for one of the best items that you can gift to a loved one. This exquisite gift will capture all the beautiful memories and love in the most perfect manner. Hence, it can become a perfect gift for your spouse/girlfriend, kids, birthday, wedding ceremony, graduation ceremony and the list is endless. There can never be a dearth of such occasions and the value of portrait paintings as the perfect gift item will never fade in its glory.

All you need to do is to choose an artist whose work you like and send the picture which you want to convert into a painting. However, you must exercise a lot of caution while making your choice so that you get value for your money as these portrait paintings can cost you a lot of money because of the huge amount of efforts the artist has to put in.
