Article published on December 21st 2011 | Jewelry

Designer watches are gaining huge popularity in the fashion market. Both men and women are longing for them. You can find a lot of brands making designer watches these days. When going to the market to buy the one of your choice, surely go for a brand that has repute in the watch making industry. Don't just choose the brand because it makes stylish and trendy timepieces. Always choose a brand whose main objective is to provide quality products to their clients. You can go for Longines watches to buy stylish, trendy and quality timepieces. The brand has been in the watch-making industry since 1832. So, you surely won't be disappointed if you choose to go for this designer brand.

You can pick the one of your choice from a wide variety when itâ€™s Longines.

Dolce Vita collectionâ€”The Longines watch with model number L5.158.0.16.6 from Dolce Vita collection is in huge demand among ladies. Quartz movement is used in this watch and it is one of the most accurate of its kind. Its face has a white dial and its water resistance is up to 100 ft, the timepiece even comes up with a scratch resistant sapphire crystal. The stainless strap gives it an elegant look. Ladies can wear it in any occasion with the outfit of their choice.

Prima Luna collectionâ€”The Longines watch with model number L81135876 from Prima Luna is a huge craze among fashionable ladies. Automatic movement is used in this watch. The face with the mother-of-pearl dial gives a mesmerizing look to the timepiece. It features a sapphire crystal and has water resistance of up to thirty meters.

If Longings is not your choice, you can opt for Movado watches. It is a Swiss watch company founded in the year 1881 by Achilles Ditesheim. The watch-making firm was purchased by Gedalio Grinberg, an arts enthusiast of New York, in the year 1983. Presently, his son, Efraim Grinberg, is the CEO of the company. In the year 2006, the brand celebrated its 125th year of watch making. So, this is a very old company whom you can trust upon if you are planning to buy a designer timepiece for yourself. You can get ladies as well as gent's watches from here.

Presenting a Movado watch to your beloved is also a good idea. You surely do not need any occasion or reason to gift her one of these prized possessions. You can pick up Certe from Movado for your lady. It is a very stylish watch and resembles the look of a bracelet in every way. The satin finish in the watch provides the fashion accessory with an extra flair.

Luminox watches can also be one of your grand picks when you are looking for a stylish timepiece for your lady. You can find some of the most ultra modern and trendiest watches in the Luminox collection. Opt for the 1500 series if your lady is fond of underwater sports like diving.
