With the temperature rising,, lots of girls are thinking about what to wear in a hot day. There are often weddings, parties, balls and barbeques to attend in the summer giving us a great opportunity to get dressed up. Summer is also a great time to have a little fun with fashion and try out something new. When the sun is shining bright colors, prints and pastels all look amazing. You also don't need to worry about what coat or cardigan to wear as it is warm enough to go without. Here are some tips for young girls to be fashion and refreshed at the same time.

I think many girls will choose a dress in summer .However ,how to stand out from the masses in a ball or other special occasions. You should wear elegant special occasion dresses.Pay attention to the color, such as red, white or purple and so on. No matter which color you like, do remember that you should notice the occasion. Standing out does not mean being strange.

Apart from the dress, you also should choose a pair of wonderful shoes,High-heeled shoes,flattie,slope shoes and so on. Shoes are every girl's addiction. You can have ten to twenty pairs of shoes but when a new trend in shoes comes out in the market, you know you just have to buy one of those pairs. Some even buy one style of shoes in different colors. Sometimes, the choice gets difficult because there are many types of shoes out there. Shoes are used to match your whole outfit.

There are other details that you should take care of, earrings and necklace. Those small things are usually ignored by many people, which also plays an important role in your outfit. They sometimes are part of bridal set and truly are perfect for creating the celebrity look everyone looking for. The metal can be more of a vintage or antique look and very pretty. It can highlight your dressing-up.

Focus your attention on these details, and you must can be a beautiful scenery line in summer!
