Article published on December 5th 2011 | Marketing

Maaji - a celebrating brand that presents splendid designer swimwear for your beach wardrobe is a combination of fantastic colours with durable fabrics that one would love to wear. The swimwear from Maaji is available for all sizes and does its best to flatter your figure. For tropical bout the designer swimwear would be the best choice.

With the slim figure you have attained, the best combination on the beach would be Aqua Bendita Swimwear and to find one is also now not so hard. Just by the click of a mouse you can get yourself an exclusive and alluring Aqua Bendita Swimwear or a bathing suit and avoid going out in the sun shop by shop and disliking each one you have tried to your dismay. With sexy triangle tops be ready to provocatively show off what the curves of your body has to show. This Brazilian brand makes the bathing suit in such a manner that it suits your body exactly like your skin. Its designs are boundless so that you get the one that suits your mood.

Vix swimwear is another brand that can fulfill your requirements completely. It gives that comfort you require in a swimwear along with the exciting and sporty look. Irrelevant of your sizes Vix has got all. It has already released its 2012 collection in swimwear. Nothing but a good designer swimwear gives a women that sensual look on the beach. Flaunt your body curves with the exclusive collection of the Vix swimwear. It also has a summer beach wear collection that makes you look astonishingly beautiful.

When talking about the beach wear how can we not talk about the designer Monokinis? Especially when you are not so bold or are hesitant to wear a bikini you can always chose to wear a designer monokini. A monokini always provides that extra cover up which you are hesitating to show in the halter tops. Or you can also replace the monokini bottoms with swim shorts for that extra coverage.

You can also find an extensive collection of designer beach wear on Swimwear 360. Or may be if you want to have fun in the sun on the sea-shore and get tanned without having to wear a swimsuit then you are on the right page. You can find many kinds of beach wear covering most of your body and still giving you that elegant look on your special day on the beach.
