Want to produce your own video for TV or marketing purposes? Looking for Studio Hire London that isnâ€™t going to cost a packet, trying to keep a close reign on the budget? Have you contacted Live Vision Film Studios London theyâ€™re offering some amazing deals on Studio Hire London at the moment.

Unlike other facilities that offer Studio Hire London this creative enterprise actively strives to make the pricing of their services as transparent as possible. They list the cost of the Studio Hire London in simple to understand terms with prices broken down for each and every aspect. The Studio Hire London can be taken as a dry hire or you add extra services as you like.

What do you get?

Included in the price of a basic dry Studio Hire London is full use of a green screen studio, access to wi-fi internet, basic lighting and the ability to upload live images. If you can provide your own team and bring your own equipment along the Studio Hire London works out to be really inexpensive.

Then again, you can request specific services as part of the Studio Hire London, the Film Studios London could provide you with a lighting technician for instance, supply camera operators or a jib specialist for any production that you have in mind.

Each service is priced separately so you know exactly how much youâ€™ll be paying for the Studio Hire London right from the beginning. To save money, try to use as many of your own staff as you can and bring along any specialist equipment you might need.

Plan ahead

Waste time and you waste money in a Studio Hire London so prepare thoroughly for the day of shooting. Get the scripts sorted way in advance, try to optimise the time in the Studio Hire London as best you can, the last thing youâ€™ll want to do is have to re-shoot in the Film Studios London.

Be realistic about the services that you might need when you are recording in the Studio Hire London, if you need additional camera hire itâ€™s worth paying a little extra if it means you can finish recording on the same day.

Carefully plan the filming schedule and book Studio Hire London through class-leading companies like Live Vision and youâ€™ll create top a quality film for much less than you might imagine.
