Top hip hop songs and the R&B charts by ScottBuczynski

Article published on February 14th 2012 | Music

Hip hop plus rap songs are among the favorite varieties of music today. Whether anyone are usually being attentive to your favorite radio channel or listening to your personal variety of top hip hop songs, you'll certainly come across the tunes of your favorite artists like Wiz khalifa, Chris Brown, Nicki Minaj and more. However, not all songs of your favorite artists make its way to the top of hip hop charts. Some songs get famous with regards to their Hip Hop videos while many others get famous with regards to lyrics. Though the songs which make it to the prime of the charts are the ones that not only have good lyrics and beats, but also have a very nice hip hop rhythm. Thus, if you need to tune in to some of the best hip hop tunes, then you better check out the hip hop charts as well as the list of the latest hip hop tunes that are unveiled by the artists every new week. The charts are updated weekly based on the new releases plus the change in the ranking positions of all the rap songs in the list. These ranks are recorded based on the reviews, member ratings, features and also the overall availability of the tunes and also the artists.

1. Topping the list of hip hop tunes this week is the song, â€œPopped Offâ€• from the album F*ck Da City Up Mixtape, produced by Dr. Dre. The song jumped one position since its last no.2 rank on the charts.

2. Second on the number of hip hop charts is the song, â€œStrange Clouds (Remix)â€•, from the album Strange Clouds. The album is produced by Dr. Luke and Cirkut. This is a new entry into the list and has directly entered the charts at No. 2 spot. The song has a nice rhythm as well as features T.I and Young Jeezy.

3. Next inside the list is the song â€œInvincibleâ€• by Alex Da Kid. The music features Machine Gun Kelly and Ester Dean. This is yet another new entry to the charts and has one of the greatest Hip Hop videos.

4. Fourth in the list of rap songs is the song â€œMr. Wrongâ€•, through the album My Life Iâ€¦ The Journe Continues by Mary J Blige. The song also features Drake rapping from the song. The song has lost 3 ranks from its last position, especially a result of the new releases this week.

5. Fifth in the list is the song â€œThrow it upâ€• by Yelawolf, ft Gangsta Boo and Eminem. The song lost one position because the other day rankings.
