Important Attractions and Features of Australia Tourism by Hari Sharma

Article published on November 29th 2011 | Outdoors

Australia is a diverse country and offers so many wonderful things to do and sightseeing attraction to see. It is the country with so many wonderful attractions and so is the reason this country attracts thousands and hundreds of tourists from across the world.

Australia has so many wonderful sightseeing attractions which has made the country globally famous and popular. Here from the marvellous engineering wonderments to the cosmopolitan charm to the old heritage and beauty, visitors to Australia can enjoy and explore the natural attractions, go for a long drive as well as enjoy world class hospitality. Truly speaking the country is full of wonderments and offer unique opportunity to enjoy vacation with an ultimate experience.

Australia has so many wonderful sightseeing attractions and among the many some of the finest one that are worth visiting and exploring during Australia tours are highlighted below:

Sydney Tours

Sydney is the popular touristâ€™s destination in India. It has so many exciting tourist places that one will take more than a week to visit all of them as well as enjoy the real charm which has made Sydney the world class city. Some of the popular tourist attractions that are worth visiting during Sydney tours are Harbour Bridge, Royal National Park, Darling Harbour, Circular Quay, Sydney Aquarium, Sydney Opera House, Sydney Entertainment Centre, Powerhouse Museum, etc. Apart from all one can also enjoy the vibrant nightlife and the world class hospitality of Sydney and enjoy memorable days with immense pleasure and joy.

Melbourne Tours

Melbourne is certainly the appealing part of Australia. It is amazingly beautiful and holds some of the finest sightseeing attractions and sightseeing spots that engulf the heart of the visitors with pleasant memories. Some of the tempting sightseeing spots that are worth visiting during Melbourne tours Malbourne Planetarium, Helicoptor Tours, Arthurâ€™s Seat Chairlift, Ashcombe Maze, Melbourne Theatres, Melbourne Concert Hall, City Circle Tram, Crown Entertainment Complex, etc.

Brisbane Tours

Birsbane is the capital city of the state Queensland. It is one of the distinguished travel destinations and has scores of tourists places that include Port Side Wharf, New Farm, Fortitude Valley, South Bank, The CBD, Good Will Bridge, State Library, etc. These are some of the popular and alluring tourist attractions that allure great number of visitors all the year round.

Beside all these enigmatic attractions that enhance the beauty and charm of tourism in Australia, tourists can also enjoy and explore so many other destinations like Queensland, Canberra the Capital city of Australia, Adelaide, Cairns, Perth, Gold Coast, Hobart, Townsville, Kangaroo Island, etc. These are some of the alluring tourist attractions that are also worth visiting. Talking on Australia Weather, tourists donâ€™t have to face the hurdles but one things they have to keep in mind is that weather in Australia varies significantly in different part of the continent. In comparison to the Northern Hemisphere, temperature is quite opposite as when there is summer in the northern hemisphere, Australia experiences winter and when its winter in Northern Hemisphere Australia experiences summer season. So is the reason why while most of the countries celebrate Christmas in the winter time, Australia celebrates it in the summer season.

So if you are planning to enjoy vacation in this ultimate destination, take the help of the Australia travel guide and explore some of the wonderful and picturesque destination of Australia with pleasant and delightful experiences.
