Fiat Grande Punto Petrol by Jameskenrich

Article published on December 9th 2011 | Auto

Fiat India Automobiles Ltd. is the joint venture between the Fiat Group Automobiles S.p.A, (Fiat) and Tata Motors Limited (Tata) that has won the twelve awards out of four including 875cc TwinAir â€“ Best New Engine of 2011, Green Engine of the Year, Sub 1.0 litre Engine of the Year and International Engine of the Year. Recently, company has reported the massive loss of the Rs.243.6 crore in fiscal year 2011. The company Chief Executive and President Mr. Rajeev Kapoor said that the firm has tried its level best to emerge from its losses, reason being the amplified production of transmission and engine and opting for cost effective measures.

This Italian car manufacturer is now come-up with new production, distribution and marketing strategies to gain the lost grip over the market. Fiat Punto had been launched in June 2009 but the company reworked on this car and launched its more enhanced version called Fiat Grande Punto that has got plenty of changes under the hood. It proves to be the strong competitor of Ford Figo, Maruti Swift and Volkswagen Polo. The new Fiat Punto has received different awards and accolades for Grande Punto include Autocar Magazine's Coveted Design Award, Brazil's different awards and accolades for Grande Punto include Autocar Magazine's Coveted Design Award, Brazil's 'Carro Do anno 2008' (Car of the Year 2008) and Auto Inter-Americana 2008. 1.3 litre multijet. As per the official sources, more than 85% of the car parts and components have been supplied from the domestic suppliers.

It is available in six vibrant colors: Exotica Red, Minima Grey, Medium Grey, Electric Blue, Bossa Nova White and Hip Hop Black. The car has got sporty grill, flared wheel arches, muscular contours, sporty dual tone interior and sporty wide profile alloy wheels. Fiat Grande Punto petrol (1.2 litres) has been power-packed with the SOHC, 4 in-line engine that delivers the maximum power of 68 PS at 6000 rpm and a peak torque of 96 Nm at 2500 rpm.

It features 5 speed manual transmission, front independent wheel suspension with Mcpherson struts, telescopic dampers & stabilizer bar, rear Torsion beam, helical springs, telescopic dampers with stabilizer bar, ventilated disc/drum, 45 liters fuel tank, rack & pinion with electric drive and lots more. Fiat car price in India comes near around Rs.3, 99, 000 to Rs.6, 11, 000. Fiat Grande Punto review will make you understand the every aspect of this car, which is easily accessible on naaptol.com.
