Article published on April 16th 2012 | Auto

Suzuki grand Vitara review: - Although the design of Suzuki grand Vitara is spotless and straightforward, it's conceivably so straightforward since to be unremarkable. Nonetheless, it keeps a handsome equilibrium between the smoothness of the car-like intersect and SUVs. It is much softer and features some of the nice quality. There were two engines available previously, but in 2012, the Suzuki Grand Vitara is coming with just a solo offering of a 2.4-liter cylinder. The Suzuki Grand Vitara's log cabin is extended, providing first-class leg room, but thin, which means that shoulder room is limited and the cargo is also unsatisfactory. The tail gate is not helping cargo-area's usefulness. It is one of the worst reviews when we take a glance at the Suzuki grand Vitara review. Safety gear of the grand Vitara is a mixed matter: all the predictable standard tools, counting front side and the side airbags, strength control, traction run, and the anti-lock brakes.

Mazda 6: - Mazda 6 is a mid - sized car. It is produced by Mazda which is a Japanese company in car manufacturing. They are in the market since 2012. It has been successful in selling more than 1 million units after the introduction of Mazda 6 car in the world market. It is stylish, spirited and insightful than the previous models by Mazda. Mazda 6 at present runs in a GTS group of SCCA challenge. Among the Manufacturersâ€™ contest standings Mazda stood the first. Drivers of the Mazda 6 also completed first and the second. It was awarded second in the European car contest of the year 2003. It also made a name in the top ten lists of the magazine car and the driver. It was appreciated for its jittery handsome propose, unrestrained steering and stretched suspension.

Vw golf: - It is small car suitable for the family. It is manufactured by none other than a Volkswagen. It is known as Volkswagen rabbit in the US and the Canada. It is called in Mexico by the name Volkswagen Caribe. It was introduced in the year 1974. It is one of the most famous cars among the British buyers. It is the 8th best sold car in Britain. It has sold 1, 500, 000 cars till 2009. It was released in Australia in the mid of 1970s. It got a good response in Australia as well. Some of the buyers were even put on the waiting list for the vw golf. Customers, who ordered definite colors like red, got to linger longer waiting their color was made available by shipping.
