# Get certified pre owned BMW â€“ Own luxury at an unbelievably low price by Brettmichaelwllms

Article published on November 26th 2011 | Auto

BMW or Bavarian Motor Works is a German car brand that has turn into associated with luxury and moreover high performance. Its unparalleled driving appeal, elegant looks, high-class interiors gives the car an feeling this really is unmatched by any other car. Having a BMW is secret dream of most car fans. Yet somehow what keeps this dream away is the high price of the car. Although, realizing the dream of buying a BMW is certainly not far with the certified pre owned BMW program released by the company. Yes, you can get behind the wheels of your most coveted car at a substantially good deal.

Why should you go for certified pre owned BMW?

Pre owned BMW cars would be purchased from car dealers as well and also at a lower price compared to a certified pre owned BMW then why should you go for certified cars. Well, what you'll get with the certificate is the peace of mind since the certification assures you of the good performance. Moreover, certified pre owned BMW cars comes out cheaper as you save yourself a lot of maintenance cost in the long run.

There are several bogus pre owned BMW car dealers these days in Arizona who're ready to sell you a poorly maintained car at a high price. Which means if you are a new bee in the used car market it's best to specially go in for certified pre owned BMW cars and so get guarantee of value for money investment.

What is actually the certification procedure

Perfect as they are, BMW makes it cars pass a very strict and moreover complete certification process which includes rigorous key elements and moreover cautiously completed procedures.

Basic eligibility: To be qualified to receive a certificate, a car will have to be a late-year model with no more than 60,000 miles on the odometer.

Warranty: BMW gives in depth warranties in new vehicle and moreover

gladly it follows the same policy in certified pre-owned vehicles. Each certified pre-owned BMW has coverage for up to 6 years or even 100,000 miles.

BMW Roadside Service: Just like in new cars, certified pre-owned BMW cars come with BMW Roadside Assistance. This special service provide you with travel protection twenty-four hours a day, round the year. This helpful services are inclusive of towing, lockout, besides several other related services.

Finance schemes: Also you can avail attractive funding options when you go for certified pre-owned BMW cars and moreover get your dream car at a very pocket-friendly price.

Choose your favorite BMW car model and strike a deal

Certified pre owned BMW cars come in various models. In fact you can also get the most recently launched designs as a number of car fans have the trend of changing their cars at the drop of a hat. As a result all you should do is visit the dealership who keeps certified pre owned BMW cars and

moreover have a look at their inventory. Find out if they have your preferred BMW car model and moreover get all the info regarding your car. Take a test drive to get the feel of its performance and moreover performance. Moreover, if everything seems up to the mark confidently drive home the booty. A certified pre owned BMW comes with the high quality assurance and moreover at an astonishingly low price.
