Vaishali- a New Find for Property Investors by Rahul

Article published on April 14th 2012 | Real Estate

Overview About Vaishali

â€¢Vaishali is at present one of the most significant building ground for many real estate developers. Besides, with the intensifying growth of Ghaziabad real estate, the pace of construction activities in Vaishali is also speeding up at a much rapid rate. This inclination is guaranteeing the accessibility of every kind of housing accommodations.

â€¢According to the real estate pundits, Vaishali has a sea of prospects in store, both from the demand and supply angles. The Vaishali benefits from a first-rate connectivity to Delhi and its adjoining areas. Real estate experts predict that, in the subsequent five years the city will have the finest infrastructure in the NCR.

â€¢With the emergence of modern amenities like international schools, colleges, world-class hospitals, top notch connectivity, etc. the NCR of Ghaziabad has developed manifolds and lured real estate investors. One specific area of Ghaziabad region that is deemed as a new find for property investors is the Vaishali area.

â€¢Also, the Ghaziabad Development Authority (GDA) is carrying out quick infrastructure improvement of the Ghaziabad city especially in areas like, Vaishali, which is a very optimistic sign of how GDA is taking up programs for an all-round growth stratagem for the city to put Vaishali and its adjoining areas on the world map together with other well-liked real estate destinations.

â€¢Since, greener and cleaner living is the catchphrase in Ghaziabad area private real estate developers are beginning numerous matchless lifestyle housing projects in Vaishali. Presenting eco-friendly, contemporary infrastructure in each residential apartment is the priority for the property developers.

â€¢The properties in Vaishali are practically within your means. Individuals from both middle and upper middle income groups are chiefly investing in these properties. The trend of developing environment friendly penthouses, villas and independent floors is fast catching up in Vaishali.

â€¢Vaishali is evolving as the ideal place for living keeping in mind the excellent Metro connectivity offered by Delhi Metro. Additionally, the easy availability of basic amenities like global schools, financial institutions, health care facilities like multi- specialty hospitals, clinics, shopping malls, etc. has further added on to the value of Vaishali, where people can get a better lifestyle.

Statistical Facts About Vaishali

â€¢Vaishali has 39 projects off the ground, with a vast inventory of over 6,000 flats, out of which 23 projects have been completed.

â€¢The occupancy rate in these housing apartments is 58% and these are priced at a range starting from Rs. 2700-4500 per square feet, which it makes property investment in Vaishali a profitable alternative.

â€¢As the real estate market in Vaishali is expanding, so are the other business sectors that offer real

estate services.

â€¢Furthermore, the trouble-free access to Delhi makes Vaishali an even more strategic site for the potential investors, since it commands superior rentals ranging from Rs. 3500 for one bedroom apartment to over Rs. 14,000 for 4 bedroom apartments.
