Maldives: the Land of Golden Beaches and Blue Lagoons by Jason Ausie

Article published on January 9th 2012 | Recreation

For those seeking a pristine, tropical gateway that has all the water sports activities, sun, sea foods, and superb greenery, Maldives is just perfect for a holiday away from the stress of their boring daily routine. When you think of Maldives, a picture of palm trees swaying against gentle breeze on golden beaches surrounded by blue lagoons with Surfing Boat Maldives comes immediately to the mind. It is a place which has remained unspoiled and has so much to offer in terms of unique beach locations with crystalline lagoons nearby. Maldives is just the perfect holiday spot that you can go to for enjoying your vacations.

Maldives is like a heaven to those who come here for relaxation and rejuvenation. Millions of people from all over the world come to this gorgeous land every year for enjoying the sandy beaches and blue lagoons along with the delicious seafood and excellent hospitality of the people of the country. Rising from the enormous stretch of the Indian Ocean, Maldives has over 1000 reefs spread over an area of over thousand islands. These reefs are the perfect recluse for the travelers and vacationers who are attracted by the serenity of this place and use Maldives boat trip for exploring them.

The country comprises of 1190 tiny coral islands, which are clustered into 26 atolls. These atolls include the 80 island resorts and 200 small inhabited islands. The structure of atolls works as a natural defense against blows of winds and waves. Male is the capital city of the country. Situated in the middle of the strings of atolls, it is a big center of commerce, business, trade, health, and education. The population of this city is around 150,000 and is always buzzing with activity. There are a number of governmental and private organizations in the city, which stand a testimony to the importance of this city.

Male has a number of tourist places. The city can be explored on foot or by a bicycle. You can easily rent a bicycle in the city and enjoy the ride. There are many famous museums and galleries in the city, which attract a number of visitors. There is a unique fish market in the city along with hoards of other local markets, which interest people. People use Maldives boat trip for exploring the nearby islands. Traveling to different islands is completely safe and there are resorts of all the major islands, which can be used for staying without any trouble.

ClearWater also offers boat trips to the Central or Southern atolls.
