The month end signifies the first anniversary of Bluecrome Pvt Ltd by Green Eva

Article published on July 10th 2012 | Seo

Bluecrome Pvt Ltd, which began its journey as a small software company is nearing its successful completion of a year. This Navi Mumbai based company has opened its doors to the common customers exactly on 31st July 2011 and the end of this month marks its first year anniversary.

This company has been co-founded by Sejal Patel and Raj Singh Kanyal with just five staff members and today without being completing a year, the company has been waving its flag in this highly competitive software industry and already has many success stories to its credit.

The company has been planning to have a blast on this D-day, as a lavish party has been planned by the officials as a thanks giving token. Also, lots of exciting gifts and fun-filled games are waiting for the staff of this company on the month end.

Bluecrome extends its anniversary celebrations to its customers

And, hence to celebrate the success in grand manner, the company has decided to offer discounts on its various services and features to the new as well as perpetual customers. This plan has already come into force from the 1st of July, 2012 and is believed to go on till 15th of August 2012. The special discount offers provided by Bluecrome Pvt Ltd on the their first anniversary are as follows â€“

Web designing â€“ A flat 10% discount on the different web designing services such as development of a new design, redesign of a site, e-commerce website design, flash web design services and lots more.

SEO services â€“ A discount of 10% has been awarded on Search Engine Optimization program that includes unique and optimal content writing services.

Hosting Plan â€“ The discount of 15% on the basic price has been employed on normal web hosting, public or private cloud hosting plans, VPS hosting and Ecommerce hosting.

SEO package â€“ Discount of around 20% discount has been applied on the entire SEO package that include various services such as SEO, SEM (Search Engine Marketing), PPC (Pay Per Click), SMO (Social Media Optimization), ORM (Online Reputation Management), etc.

Website package â€“ A discount of flat 20% of the basic price has been allotted for clients availing the whole Website package that includes website designing, domain registration, website hosting and content services.

Hurry!! To avail all the benefits provided by Bluecrome Pvt Ltd as the offers are only till 15 of August. Be an integral part of this growing family by becoming a client of this company and be happy and successful for the rest of your life.
