Article published on December 29th 2011 | Auto

Maruti Suzuki Kizashi that has been launched recently will obtain its name in the market as being the superior and the bigger version of Maruti SX4. The car has got a tough and the solid look in terms of the several other models being introduced by Maruti. The car will be accessible with the 2.4 liter DOHC petrol engine which gives out the power of about 178 PS at around 6500 rpm in addition to 230 Nm torque at about 4000 rpm. Engine is much swift and more receptive with the 4 cylinder and the 16 valve that it has got. the sedan will be made available in the 4 wheel drive choices that gets off an and on at the click of the button. The quality of the interior being used in to the car is simply the best in the segment in addition to the elegant dashboard that is most impressing. the much wanted car proved to be comfortable for both the passenger and the drivers since there is much of leg and the head space.

The handling and Ride of car is outstanding, the machine rules the road, since the speedometer crosses 3 digits marks without taking much time time. the front grille and the elegant but stylish tail-light offers Maruti Kizashi the sporty look, the way it does in Swift. the sedan is redy to give an tough competition to the Honda City, Volkswagen Jetta and Skoda Laura. Though the price is bit high, but it will not be wrong to conclude that it is best car suitng the indian roads. and further it is the best value for money car.

Maruti suzuki kizashi reviews concludes that the luxury sedan has got the highest speed of around 2.5 kmph for the automatic transmission plus there is 215 kmph for the manual transmission. The really advanced features incorporated in to the car include ESP which is expended as the electronic stability program, cruise control, Anti-lock braking system with EBD. The 10 way seat adjustment is the most striking feature that the car has got.

The major Specifications of the car can be concluded with the displacement of Maruti Suzuki Kizashi that is 2400cc in case of 4 cylinders. The people looking forward for the luxury, comfort features must go for it. And the brand name Maruti has tries to sustained the credibility amid people along with the versatile of the brands. Features as tilt steering, Rear Disk brakes, Front Ventilated, remote central locking, electrical driver seat adjustment that adds to the beauty of the car will definitely attract large number of people. Maruti Suzuki cars in india are highly demanded and much appreciated. There was also the time when there was only one name being known to the people in the segment of car i.e Maruti. Though, now there are several of others being competing with it.
