Article published on March 5th 2012 | Auto

Toyota cars are designed to match road conditions of India. Toyota Innova is the blend of design, comfort, safety and innovative features. The company has showed the quality work in a segment and has become the top most selling luxuriouscar in its segment. Toyota Innova offers superb handling and driving experience with its power packed features. Further, elegant interiors and advanced display board panelsmakes it comfortable and classy from inside. Toyota Innova is loaded with 1998cc engine, 16-Valve DOHC WTi petrol engine that produces 132ps power at 5600rpm and 181NM torque at 4000rpm. On the other hand the diesel variants of the Toyota Innova is fitted with the 2494cc, 16-Valve DOHC diesel engine that produces 102PS power at 3600rpm and 200NM torque at 1400-3400rpm. Since its launch the selling of car has never been down not only in new car section but also in second hand Toyota Innova. This car is available at most used cars sellers at affordable second hand cars price in India.

The company has been modifying its great Toyota Innova model as per the consumer demands.Toyota Innova 2.0 G Petrol 8-seater and Toyota Innova 2.5 E Diesel MS 8-seater has got good feedback from its users and is packed with improved and better features.Price of brand new Toyota Innova price in India starts at 8,14,054 INR. But, affording this much money on luxurious cars is not appreciated by everyone. Thus,for those people opting a second hand Toyota Innova is the best option. This car is made for long and comfortable journeys, so mostly it is first choice of either businessmen or can be considered as a family car. But, for less budget people and having confined family can opt for second hand Maruti Alto, which is available in market in petrol, diesel and CNG variants. Though, the car has not much exceptional features but the mileage and handling is good.

Being a multipurpose vehicle, Toyota Innova has no direct competitor for it in the market. You can count on Toyota Innova to provide you with the highest quality when it comes to cars, along with safe drive and ample space to cater to your every need.Toyota Innova is MUV par excellence as it has introduced new definition to this concept with luxury touch-up.Second hand cars price in India is low that's why it is becoming most favoured choice for people with budget constraints. When it comes to reliability with price compatibility then second hand Maruti Alto stands good as per conditions.
