Hatton Garden is no less than a paradise for those looking for classy, beautiful and timelessly stylish diamond jewellery. Hatton Garden diamond jewellery is popular for the unparalleled style, true British charm and highest quality craftsmanship. Hatton Garden loose diamonds as well as diamond jewellery pieces come with the assurance of highest quality, precision, cut and value for money. However, over the past year, there has been a steep spike in the prices of precious metal as well as diamonds. Where diamonds jumped by a hulking 20%, gold crossed the intimidating figure of USD 1500 per ounce. Consequently, what used to be costly erstwhile has gone costlier than ever and apparently out of the reach of the commoners.

But the Canny Don't Disappoint. They are Turning to Direct Jewellers Instead!

While majority of clients are compromising either on the quality or the size of the diamonds in their engagement rings, the canny have found a better way out and that is to turn to direct jewellers such as Hearts of London. Being one of the leading direct diamond jewellers in the United Kingdom, Hearts of London ensures to offer highest quality and value for money. Qualified gemmologists and goldsmiths work together at the Hatton Garden workshop of Hearts of London to design and manufacture voguish and beautiful Hatton Garden class diamond jewellery. Each piece of jewellery exhibits the level of precision and meticulousness that goes into crafting it. On the basis of excellent quality, Hearts of London diamond jewellery pieces tend to fall just between half of the cost of those of the world's leading diamond jewellery brands. While Hearts of London goldsmiths have all the work on Bond Street, their jewellery pieces don't carry the substantial brand premiums of their rivals.

Hearts of London's Signature Collection is Worth Exploring

Hearts of London has unveiled its Signature Collection that comprises of beautiful and stylish Hatton Garden class diamond jewellery pieces including elegant and fashionable diamond Engagement Rings, wedding bands, and fine jewellery pieces for all occasions.

Buy Confidently!

To help clients make an informed decision when buying a quality diamond, Hearts of London has designed a comprehensive diamond education guide which is available online at their website for quick reference. Since majority of clients still prefer making such a purchase direct from the jewellery showrooms only, Hearts of London welcomes them to their Hatton Garden showroom where a qualified gemmologist will assist them in better and informed decision making. However, this will require prior appointment by phone or mail.
