Are you starting a new job and want to make the best impression on your first day? Perhaps that frayed rucksack that you carry into the office each day has attracted much sniggering at the water cooler? If this sounds all too familiar then the leather briefcases at Office Nut could be the answer to your prayers.

As a subsidiary of Hetheringtonâ€™s, an established stationers since 1990, Office Nut has benefitted from a rich history of successful retailing, and today has firmly affixed itself as one of the foremost online retailers of leather briefcases, leather travel holdalls, and travels bags for professional men and women alike.

Our portfolio of briefcases, bags and holdalls includes a diverse selection from some of the leading manufacturers of leather products in the UK. Ideal for both men and women these briefcases have a number of different designs and colours. So, whether you have your heart set on standard attachÃ© leather briefcases, or indeed bonded leather briefcases that come complete with a compartment for sufficient storage and transportation of your laptop then here at Office Nut we have leather briefcases to suit everyone.

Whether youâ€™re intent on walking into the office on Monday morning with a retro attachÃ© leather briefcase in hand, of if you need to find leather briefcases that allow you to separate and store a large amount of documents that are of vital important to your day to day activities, then here at Office Nut our collection of leather briefcases are sure to appeal to you. The standard attachÃ© leather briefcases that form an integral part of our product portfolio, offer two distinct design colours, burgundy and black, have a smooth PVC lining and secure lock. At just thirty five pounds these leather briefcases are as affordable as they are professional, and you can even purchase them directly from our website.
