Article published on July 10th 2012 | Shopping

Here at Pack Lane Wool, Wendy yarn is already available in an inspirational collection of wool blends as well as thickness and colour. You can actually make super soft garments or even a lovely and chunky knits because of this great range that are now available from Pack Lane Wool. If ever that you are looking for the right Wendy yarn for making some great outwear accessories, it would be great if you are going to try their Pampas Chunky range. The thickness of the yarn makes it ideal if you really want to make hats and scarves, blankets or even jackets and sweaters. You have to keep in mind that Wendy knitting yarn not only comes in a variety of workable mixes, but you can also buy pure new wool too.

The choice for amateur and experienced knitters and crocheters is Twilleys, that is why there is no wonder that it has been also used all over the world. This family company actually produces a must have yarn for a variety of projects that looks as good as how it must feel. Twilleys yarn represents the brands that is needed in order to bring you only the best in magnificent grade wool, for a wide range of subjects in terms of making clothes, accessories as well as crafting. Twilleys of Stamford is actually known for its great quality and brilliant choice of colours. You will also find an amazing range of Twilleys yarn as well as patterns from Pack Lane Wool.

Other than that, the collection of Sublime cashmere merino silk from Pack Lane Wool also offers you an incredible luxury. Create deluxe knitwear from this fine range of yarn. It is also ideal for anything worn close to the skin of a person who are going to wear it. A light sweater of scarf also makes the most of the yarn, and then you can also create a wealth of stylish items from the patterns and books that are available from their online store. They can also carry a broad range of colours of Sublime cashmere merino silk yarn at their store. You have to let your creativity flourish as you knit stunning new clothes as well as accessories from this soft and attractive yarn.

Sirdar Snuggly Snowflake is another well known for being one of the softest and cuddly yarn around today. These stunning yarns also offer a fleecy touch, which makes them ideal in terms of keeping babies and young children snug and comfy. With this, you can now possibly make gorgeous jackets, cardigans, romper suits and even more, from their great selection of lovely colours. For chunky knits and soft touch garments, Sirdar's collection has been always popular with knitters for decades already. It would be better if you are going to come and see the collection of Sirdar yarn, which includes the Snuggly Snowflake, Big Softie, chunky yarns and fun, plush furs, the brand that offers an amazing scope for your ideas.
