Reading glasses world is introducing a huge collection of stylish glasses with the assortment of colors and strength for both the men and women according to the needs and wants of the customers and those include Full frame, Semi Rimless, Acetate, Monel, Stainless Steel, and Titanium frames in a wide variety of colors and lens strengths. And for the convenience of our customers we are selling our products through internet so that you need not to take out the time from your work and walk-in to the glasses shop.

We are dealing with different categories of glasses like reading glasses for men, for women, unisex glasses, Sun reading glasses, night time glasses etc. Every category is having a wide range of models with affordable prices.

Our models are like- Wallet Readers in Black or Tortoise, Clic Magnetic Reading Glasses in Black Regular, Black Long, Dark Tortoise, Clear, Red or Pink, Amy Sacks Bamboo Masa Collection, INK Spectrum in Black or Brown, Lou Fanzini Readers - Available in Various Strengths and Colors, Go Green! Reader 4 Pack - Womens, Cinzia Freeze Reader - Available in Several Colors and Strengths, Cinzia Sublime Bi-focal Sun Reader, Cooper Street in Amber Tortoise, Shipping cost is absolutely free for us people only.

You can buy your desired glass in two means and those are â€œshop by powerâ€• and â€œshop by brand where the power starts from +1.0 to +3.5 and the brands include Amy sacks, California optical, Click, Click on, Computer eyed, Cinzia optical and many more.

Since we are offering Ready-to-wear glasses our intention is not to replace the prescribed corrective lenses as the regular eye check up is very essential for eye health. And to make easy to buy the glasses and for selecting the proper strength we are also providing the â€œEye chartâ€•. Also we can help u to find out a great shape for you. Hereâ€™s our FASHION FIT GUIDE that will point you to some great choices for you based on your head shape.

For example if the structure of your face is oval then it is longer than it is wide and has balanced features, so You can wear almost any frame style without throwing your well-proportioned features out of whack. And iIf your face structure is triangle, then it has a narrow forehead and prominent jaw, so enhance your subtlest features and deflect attention from your prominent ones.

Since you have an impressive jaw, shift focus upwards by wearing readers that have broader and/or more colorful upper halves, such as cat-eyes or aviator shapes.
