Article published on January 20th 2012 | Shopping

A perfume is definitely the most intense form of a memory. A perfume is not just a product but a fragrance that is a signature scent of the person who has applied it. Long after a person has left a place, the fragrance of the perfume applied stays there. Therefore, it is a major form of reflecting oneâ€™s personality.

The mixture of fragrant essential oils along with the right aroma compounds is capable of captivating an entire crowd. Some common traditional classifications of perfume for women are single floral that has the fragrance of a particular flower; floral bouquet that is a combination of fragrances of more than one flower; ambered or oriental that has animalic scents in addition to the flower fragrant, wood that is dominated by wood scents; leather that has a combination of scents of honey, tobacco, wood and wood tars; chypre that portrays fragrances built on a similar accord consisting of bergamot, oak moss, patchouli, and labdanum and lastly FougÃ¨re that has a base of base of lavender, coumarin and oak moss scents. The modern scents can be falling under the following categories: bright floral, green, oceanic or ozonic, citrus, fruity and gourmand.

The perfume industry is a ten billion dollar worldwide industry that comes up with a lot of contemporary smells and design ideas every year. A lot of signature perfumes of various leading Hollywood as well as Bollywood celebrities are also launched every year, which has the uniqueness and style just like the owner celebrity

While purchasing a perfume for women there are certain things that should be vigilant about. The basic things to keep in mind are variance, components, scent uniqueness, scent complexity and the price. Aromatic sources used in the perfume are also to be considered. Some common aromatic sources are plant sources, animal sources, synthetic sources and other natural sources such as sea woods and lichens.

Major branded perfumes and celebrity perfumes are available at different shops and company outlets. For the ease of shopping, one can also prefer to browse through perfumes collection on e-shops or e-stores provided by leading online shopping websites. To avail costly perfumes like the celebrity signature perfumes or perfumes by major brands; many online shopping sites have online shopping deals and offers. These deals and schemes enable people from all over the world to buy the desired perfume within affordable price ranges. These websites make people experience of shopping unforgettable.
