The popular fight of Mayweather vs Cotto will be held on 5th May and it is not at all surprising that the bookmakers are making Mayweather favorite in their words. Mayweather has won many fights and due to this reason he has a big fan followings but in any of the game if a person thought that he might lose the game, in those situations he finally end up with winning. This is the main reason that people usually doesnâ€™t make bet against Mayweather. But no one was aware that, whether Cotto is the man who will beat him in the fight.

As per the Bovada, one of the best online bookmakers has mentioned that Cotto is on +450 whereas Mayweather is on -700 on the other hand. May be this will change but it is not sure by how much. So, it has been suggested that if you want to make bet on the stunning fight of Mayweather vs Cotto it is better to first consult the Bovada because it is the only medium to get to know more about the betting odds.

It is also true that the odds can be change as we judge the fight from more closely depending upon the fight but one must be sure that who will win the match to make the bet because if Mayweather is a favorite among his fans and the Cotto is a heavy dog to take the challenge. It has been suggested by many o the viewers that its better if you make you make a bet in favor of Cotto because he has defeated Margarito in his last fight match. According to the graphs, if you will take the risk remaining in favor of Mayweather you will win less as compared to if you take risk on Cotto you will win more amounts. So, it might be good if you make you bet this time on Cotto.

But to defeat the Cotto, Mayweather is doing practice with popular fighters namely Jâ€™Leon Love, Cuban-American amateur Luis Arias, Omar Henry and Bastie Samir. These are the popular and daring fighters who never defeated in the matches. To train Mayweather, these guys are giving different challenges to him so that he will work hard for the tournament. The Mayweather vs Cotto fight is on the tongue of all the wrestling lovers and has become the high profile event of the month of May, 2012.
