Have you ever watched any episode of the famous series â€œare you afraid of the darkâ€• on TV ? Itâ€™s every episode is completely different from the other episodes and has its own thrill, excitement and fun. To get a better picture before you, here is the story of the very first episode of â€œAyaotdâ€•.

The episode begins with the arrival of the group leader who leads the bunch of kids or teenagers. The group leader tells the viewers that they called their group as the "The Midnight Society" and why they meet at the secret place in the woods in the horrific dark. Currently, the group in â€œare you afraid of the darkâ€• comprises six members namely Gary (the group leader), Kristin, Kiki, Eric, David and Betty Anne. Although, another kid named Frank wants to become a member of the group, therefore, for getting into the group, Frank has to tell a story to the group members and if they like the story, only then, he gets an entry in the group. Now, all members along with Frank gathers around the crackling and the illuminating campfire as shown in â€œAyaotdâ€•. At the same time, David, another group member, throws the â€œMidnight Dustâ€• from a pouch into the campfire and Frank announces the story name, that is, "The Tale Of The Phantom Cab".

There were two brothers named Buzz and Denny who were on a walk around the woods. Buzz was the smaller brother between the two. He was kind a silly and weak person in comparison to his brother who was very intellectual and sturdier. Denny notices that they get mislaid in the woods due to Buzz. Then, in â€œare you afraid of the darkâ€• series, Flynn continues the story and tells that itâ€™s th night time and when Denny shows his annoyance to Buzz for getting lost, they saw someone in the dark named Flynn. Flynn holds a torch in his hand, so after some satisfaction, eventually, they call him to help. Flynn asks a question from them that if they have some knowledge about riddles and he leads them to the old doctor, whom he refers by the words â€œThe Good Doctorâ€•. He drops them amid the bushes and disappears behind them. The two brothers, then, hear some scary sounds from the bushes and knock the door of the cabin in which the doctor lives. Actually, the doctorâ€™s real name is Dr. Vink and as both of them enter the cabin, he shows them his various experiments. One of his experiments involves a hand preserved in a jar.

After he showed his experiments, Denny asks him if he help them to return home, but, he asks them for answering two riddles and also promise them to help, if they answer the riddles correctly. Ben answered one riddle out of two and when Dr. wink finds them unable to answer the second riddle, he asks them to leave and catch a cab that crosses across the woods daily. Then, in â€œAyaotdâ€•, the group members got more excited and Flynn tells that Ben and Denny left and reach near the woods. Suddenly, they saw a cab that speedily comes towards them. They enter the cab and saw that Flynn drives the cab. He asks them to solve the riddle questioned by Dr. wink and tells them if they donâ€™t answer it in few seconds, they would die with the cab accident. He also tells them that he is already dead as he wreck his cab years ago and the hand that they saw in doctorâ€™s cabin belongs to him.

Eventually, they solve the riddle and saved their lives. The next day, they find themselves on the grass, then, a jeep arrives and drops them to their home. Hence, Frank completes the story, the group enjoys his story and allow him for group membership. You can also enjoy this story by getting the â€œare you afraid of the darkâ€• DVDs online.
