Choose a Boutique Hotel when Traveling to NY for Treatment at Beth Israel Medical Center

by William Hauselberg

Article published on April 13th 2012 | Travel

When you want to travel to NY for treatment at the Beth Israel Medical center, and you need extended stay hotels near Beth Israel Medical Center, it is advisable to choose a boutique hotel instead of a chain hotel or a big box hotel. Boutique hotels are designed to offer customized luxury and comfort. They are design hotels or lifestyle hotels, with varying sizes of luxury facilities and service accommodation. This will remove you away from the buzz of chain hotels and offer you a better environment that is conducive to full recovery in New York.

Beth Israel Medical Center

Beth Israel Medical Center NY is one of the best medical centers in the world, with several departments. These departments range from community healthcare to research. It is a 1,368- bed tertiary teaching hospital, located in the city of New York. Many sick people from different parts of the world travel to New York for treatment at Beth Israel Medical Center. The reason is simple; Beth Israel Medical Center parades some of the latest state-of-the-art medical technologies and qualified medical professionals. Hence, when you are travelling to the US for a medical treatment, either for yourself or a loved one, Beth Israel Medical Center is one of the Best options you can try. In any case that you decide to stay outside the medical center, there are good and affordable hotels where you can stay for one week or two weeks.

Choosing an Extended Stay Hotel

If you choose to travel to BIDMC New York for treatment, one of the things you need to consider is the fact that the need for extended stay in New York after your treatment may come up. Since you are dealing with sickness, it is hard to predict what will come up next. In this case, there are many Hotels near Beth Israel Medical Center you can choose. However, among these extended stay hotels near Beth Israel Medical Center, boutique hotels offer services that will make your experience in NY a fantastic one. Some features and facilities you can find in a New York boutique hotel include the following:

1. A themed or stylish furnishing

2. Comfortable and welcoming settings

3. Luxury guest rooms with state of the art technologies, including honesty bars, air-conditioning, cable TV, Wi-Fi internet networks, and private telephone lines 4. Bars and lounges,

5. On-site dining facilities and

6. 24-hour hotel staff attendance

In a case where you prefer to have a boutique hotel that focuses less on gadgetry, there are New York boutique Hotels near Beth Israel Medical Center with designs and furnishings that focus more on serenity, value and comfort. You can even access some of these extended stay hotels near Beth Israel Medical Center on the internet before you arrive the city of New York.
