Article published on June 30th 2012 | Travel

If you want to take a tour to the one of the most enthralling cities in the world, then why not embark on a journey to the fascinating city of Kolkata? Nothing can challenge the fact that Kolkata is one of the crucial cities in India. Itâ€™s always an exciting moment when you plan to take up a vacation somewhere in the eastern India as there are some destinations that are definitely worthy of your visit. The city of Kolkata is the third largest metropolis of India and is situated on the Hooghly River. It was the capital of India when the British were in supremacy. Many tourists from all over the world take flights to Kolkata to catch hold of various awe-inspiring tourist attractions that have been catching their fancy for a very long time.

There is something for everyone in the mesmerizing city of Kolkata that draws people from various parts of the globe. You would surely admire running into its several mosques, colonial buildings that have withstood the test of time and Hindu temples. The city had been a part of the East India Company for almost 250 years and had witnessed ups and downs since then. It was previously known as Calcutta and prides itself in being the capital of West Bengal. Kolkata is purely steeped in colonial history. If you take a walk in the retrospect, you would have a close encounter with various attractions and it would make you cogitate about their elegance that still can be found in the air. You can pay a visit to the colonial structures which are Shahid Minar, Raj Bhawan, the Writerâ€™s building and the official residence of the viceroy.

If you are looking ahead to have a hypnotic holiday in the city of Kolkata, then you should not waste time when it comes to visiting the below mentioned highlights:

Â»Victoria Memorial

Â»Eden Gardens

Â»Birla Planetarium

Â»National Library

Â»Netaji Museum

Â»Shanti Niketan

Â»Howrah Bridge
