Hiring a Woodstock limousine service is one of the ways that you can make your wedding even more special. You can ride in comfort and luxury to and from the wedding. It is also a great way to show your spouse that you have gone through great lengths to make your wedding day very special for the both of you. Hiring a Woodstock limousine service is not as easy as opening your local directory and dialling the number of the first Woodstock limousine service that pops out of the yellow pages. There are a few factors that you need to put into consideration before you book the services of a specific Woodstock limousine service.

The first thing that you should consider when hiring a Woodstock limousine service is your budget. You should decide on how much you are willing to spend for the Woodstock limousine service. This is important because you do not want to spend too much money on the limousine and take away some of the budget for the other aspects of the wedding. It is not wise to spend too much on the Woodstock limousine service if it will eat up the budget of the other details in the wedding. There are so many things that you need to spend on for the wedding so you need to make sure that the money that you set aside for the Woodstock limousine service is reasonable enough and within the budget.

Once you have decided on your budget then you can make your inquiries from the Woodstock limousine service so you know if their price rates fit your budget. Each Woodstock limousine service has a different price rate and package. Some offer packages while there are others that offer hourly rates. It is also best to inquire if the Woodstock limousine service offers packages specifically for weddings.

The next factor that you need to consider is the number of people that will be riding inside the limousine. If it will be just the bride and groom or if you want the entire entourage to ride with you while travelling to the reception, after the wedding ceremony. A Woodstock limousine service has different types of cars in various sizes so if you are travelling as a large group then you need to inform then in advance so they can provide a bigger car for you and your entourage. It is also best to visit the office or garage of the Woodstock limousine service personally so you can see how their cars look like.
