Article published on March 15th 2012 | Travel

Shimla is a wonderful place for spending vacations, honeymoon and weekends. Available with lots of natural beauty, Shimla, the capital of Himachal Pradesh is known for serene and tranquil atmosphere.

Tourists and travelers who flock to this region opt for budgeted Shimla hotels. These hotels with spacious rooms and elegant interiors offer complete comfort to the visitors. College groups, business persons and families flock to this region to enjoy the salubrious climate. In fact variety of adventure sports such as river rafting, paragliding, skiing, etc. organized by the hotels is loved by adventure lovers. Both novice and experienced adventurers indulge in various recreational activities. The Shimla holiday packages available in various resorts and hotels suits the taste and budget of travelers. In order to attain maximum benefit of various hotel packages and tariff plans, it is wise to get online reservations beforehand for a confirmed stay.

A Shimla hotel attracts large number of visitors every year and provides warm welcome to them. Such hotels provide ample opportunities to enjoy oneâ€™s stay. Available with modern amenities and equipped with diverse facilities, these hotels promise a luxurious stay to the visitors. One can also opt for online hotel suite reservation on payment of some percentage of the package amount. Online booking of hotels beforehand assures a confirmed stay with all comforts and luxury. Shimla budget hotels are also preferred by honeymooners and budgeted people.

These are perfect for those who desire to relish the beauty of this Himachal region economically. These meet the financial budget, taste and preference of the travelers, budget hotels and bear elegant interiors that reflect opulence and grandeur. Various packages available in such hotels prove beneficial for school and college groups, families, honeymoon couples, business comuters and budgeted travelers. They can enjoy relaxed weekends amidst the laps of nature with peace, equanimity and tranquility.

Away from the humdrumness of busy city life, hotels here are nestled amidst the laps of nature. Each and every suite offer views of the lush greenery, snow clad mountain peaks, orchards and waterfalls. Located in the proximity of major attractions of the place various hotels and resorts in Shimla promise a rejuvenating stay. Honeymooners opt for Shimla and surrounding places such as Manali, Mashobra, Narkanda, Naldehra, Chail and others for spending some leisurely moments. Honeymoon hotels in Shimla offer a feeling of home away from home. These bear fully equipped kitchenette, elegant conference facilities, travel desks, kids and children activity area. Available with attractive packages and best deals, these are designed for the needs of todayâ€™s modern travelers.

Summers and really pleasant in this region but during winters temperature here drops down to below freezing point. The hotels offer warm welcome to visitors and offer Chinese, continental, Indian and Himachali cuisines. Besides, one can have ample opportunities to enjoy natureâ€™s serenity and magnificence in Shimla.
