Everyone is in a rush these days to make the most of the summer season. It may sound as a clichÃ© to you that we all need a break from our tedious lives and mundane routines which have engrossed us so much into work schedules that we simply forget that the time has come to hunt for a perfect escapade. You need a vacation that you can cherish for years to come and your children too need a break from their studies in order to cool their mind down.

Every continent is packed with various spectacular destinations to explore but when it comes to Asia, it epitomizes charm and elegance that catch the attention of many tourists within the country and abroad. Kerala is one such state that is truly soaked in natural beauty and as a matter of fact, it is the one of the Indian states that has been acclaimed by numerous tourists. Many nature lovers grab flights to Kerala to witness the undying beauty of Kerala.

Travelling is your hardcore passion and you cannot do without wandering from one location to another in order to hop on various attractions. How about embarking on a journey to Kochi? It is one of the crucial and most visited cities in the state of Kerala. Formerly known as Cochin, Kochi is cornered by the Arabian Sea on the west and the Western Ghats on the east. It can truly be regarded as the â€œQueen of the Arabian Seaâ€• as it is simply irresistible. You would come across so many reasons that owe to the significance of the city that state why Kochi is one of the highly praised cities in India.

The city of Kochi is also contemplated to be the economical capital of Kerala and you cannot turn your back on the fact that it is indisputably one of the developing cities that has been developing at a pace that is commendable. It is also known as Ernakulam.

Many get in touch with travel agents to book flights to Kochi. It is simply bejewelled with prehistoric churches, magnificent forts, sanctuaries and cathedrals. Fall in love head over heels with the sunset cruise in the city. You can get pleasure as the sun takes a plunge into the sea.

Following are the highlights that canâ€™t be afforded to be missed:

Â»Willington Island

Â»Chinese Fishing Nets

Â»Cherai Beach

Â»Paradesi Synagogue

Â»St Francis Church

Â»Mattancherry

Â»Cheeyappara Waterfalls

The prime attractions to be caught hold of in Kochi are beaches, backwaters, religious sites, ancient sites, islands and the list does not come to an end.
