Important Documents Passport and Visa

Visit and explore India, you have a valid passport and a visa for India. Always carry your passport, visa and other travel documents at any time. It is always advisable to keep a copy of your passport and other travel documents. Keep a copy of your passport (personal details and photo), a copy of the page with your visa from India, a copy of your insurance, and a shared record for traveler's checks, which were closed, the amount and number series and save each other. Not a bad idea to leave copies of your important travel documents with a friend or relative at home.

For some destinations in India have extra privileges, including the Andaman Islands, Gujarat, Ladakh, Kerala, and more. Contact your travel agent or embassy in your schedule.

Reliability and Safety

Security is very important for your money and travel documents together. Transport system in India is very, very busy. Therefore, pickpockets and thieves on buses, trains and crowded places beware. Be careful in the dark and lonely. Never keep your money in one place. If your passport is lost or stolen, immediately have the local police station, FIR and inform the embassy or consulate. While driving alone are not familiar with strangers. Do not encourage begging.

Weather and Climate

It is absolutely safe to travel to India, at any time during the year. But India is dependent on the tourist destinations in India who want to explore. To visit between November and March (so far) is the best time for India in most countries. To visit the north - in the mountainous regions of India, from April to October is best for the lowest temperatures mostly in the north. Exploring the southern part of India is the best months from November to January in the south are colder in recent months.

The best time to Ooty, Darjeeling and other mountain regions to visit are March, April, October and November. If you are traveling to India, remains in the spring and summer (60 to 70 F / S 15-21 C). During the winter, avoid Kashmir (30-45 F/0-7 C), unless you're skiing and Ladakh, one of the coldest places on earth inhabited.

March to June: - summer season in India.

October to February: - winter season in India.

July to September: - monsoon season in India.

Indian Weather Clothing and Dress

While planning to visit India in the summer from March to June and light cotton clothing. The summers are very hot in India. You can wear shorts. Women should dress conservatively. Shorts or revealing clothing should be carefully avoided by women. To run your visit to Northern India during the summer, you can warm clothes because it's cold.

During winter, the heat, especially in northern India during the period from October to February, woolen clothes and burning packages.

During the rainy season the humidity is very high, so no synthetic clothing. It is recommended that garments made of cotton this season to wear.

Kindly don't wear your footwear while visiting places of worship.

Shopping in India

Shopping Tours allow the tourism industry in India and exotic ethnic shops and modern shopping. In India, each region has its own specialties, each town its own local artisans and their own abilities. The whole country is a mall, with sellers offering some of the more exotic products are everywhere, whether traditional or herbs, paintings or antiques, traditional garments or modern fashion statements, India has much to offer.

Shopping in India is a wonderful experience, or air-conditioned malls or shops on the street, India is a destination for shopping. Almost all items of India is the substance, silver, carpets, leather goods and antiques to enjoy, India is a paradise for shoppers.

The market in India, many opportunities for travelers to the right, the right decision and choose the best destination for shoppers from around the world. A pleasant walk along the busy streets of Metro City India is safe, and taste senses finely carved jewellery, crafts, beautiful paintings, full gemstone Garland, crafts, please, metal, wooden handicrafts, carpets, ceramics, clothing , musical instruments and India really good clothes.

Whether it is air-conditioned malls and chain stores, shopping here is a delight. The bustling markets of India even more open to a potential customer and are filled with people from all walks of life.

The only problem is, as the purchase of your home! Before buying anything, it's best to compare prices store next door. With tourists, bargaining is almost a practice. Whenever care vendors trying to semi-precious stones and jewelry to sell. However, Emporia State Government to provide a safe place to buy because the quality standard, the UPS usually lower than fixed rates. Make sure you are completely satisfied with your purchases and get a receipt. Returning the goods is not entertained, much less when you have returned to their home country because Indian customs have strict rules against them.

Tips for Women travelers to India

India, a country of unity in diversity is a very warm and welcoming. India has a rich history in many, culture, heritage, religion, traditions, cuisine and people. Events subsequent to Western influence, India is still rural and conservative. Due to social conservatism, it is important that women travelers say about the social customs of India and its culture to better prepare for a safe trip. Women should travel in India is very particular about his clothes, safety, packaging problems, currency, language, and shopping. These tips will make your trip an unforgettable experience.

â€¢ Women should dress in a public place. Low cut, tight shirts, tops, skirts that fall above the knee shorts and bikinis very discouraged. Clients ask women not to wear tight clothes that show the order not to attract unwanted attention.

â€¢ Apart from the big cities, any physical activity that is intimate to be omitted. Contact between the opposite sex in public is very unusual. Even married couples do not show affection in public. It's good to shake hands with most people, despite a number of men. Some people just in the wrong direction and I do not think so.

â€¢ Do not put valuables in the range of products that can be easily broken shoulder.

â€¢ The woman should try to ride the train car reserved for them.

â€¢ Smoking or drinking alcohol in public places women is not acceptable, India, with the exception of the metropolitan cities. If you smoke or drink, or has, it is better to do at the hotel.

â€¢ He dares not only in remote locations. It is also advisable not to go alone in the dark and it's too late.

â€¢ During the trip, take your money safe. Although there is no risk to steal people's money is always better than cure. It is recommended that the action associated with a belt to keep your belt and can be worn under clothing is best. Keep coins in your pocket. Beware of beggarâ€™s mafia possible.
