India is one of the most favored tourist destinations in the world. Travel India packages will provide a person with the opportunity of seeing and encountering many different things that one cannot experience in any other place in the world. Historical monuments, beaches, islands, forests, hill stations, mountains, tea and coffee gardens, religious shrines etc., everything is present in India. People, who tour India, often have their own list of favorite destinations in India. These places are all included in most â€˜Tours Indiaâ€™ travel packages provided by travel agencies. Here are a few destinations that we highly recommend:

Kashmir - This disputed territory is arguably the most beautiful place on earth. The people in this part of the world are also regarded as one of the most beautiful people on our planet. A famous Persian poet said about Kashmir,

â€œGar firdaus baruhe zamin ast Hamin asto, hamin asto , hamin astoâ€•

It means, â€œIf there is paradise on earth, it is here it is hereâ€•. Hence, Kashmir is regarded as the paradise on earth. The beauty of Kashmir cannot be described; it can only be felt and encountered. You must visit Kashmir during your India tour to enjoy the beautiful mountains, the lakes, greeneries, house boats on the lakes, world famous handicrafts, amazing cuisine etc.

Goa - For all those who like music, food, sun and beaches, Goa is the ideal destination. The erstwhile Portuguese colony of Goa is a favorite party destination of many foreign tourists. Goa is also famous for the local cuisine which has been heavily influenced by Konkani, Portuguese and other cuisines. The beaches in Goa are exotic and are world famous as well. India travel packages contain special packages for Goa.

Kerala - India travel cannot be complete without visiting Godâ€™s own country, Kerala. Beautiful backwaters and beaches, coconut trees, festivals, cuisine, forest and wildlife, hills, temples, churches and mosques, house boats etc. are the things that one can enjoy in Kerala. This southern state attracts the highest amount of tourists among all other India states. Many travel India packages are completely centered around Kerala.

Uttar Pradesh - It is the most populous state of India and is also a popular tourist destination as well. There are many historical monuments in this Northern state, which were built by the Mughals and the Nawabs, the erstwhile rulers of India. The famous Taj Mahal, Agra Fort, Bara Imambara (Lucknow) etc. are the main attractions of Uttar Pradesh. There are many temples and pilgrimage temples in this state as well, which attract tourists during their India tours.

Delhi - How can someone come to India and not explore the heart of India? Delhi is Indiaâ€™s heart and is the center of governance in the worldâ€™s largest democracy. There are many historical monumens like Lal Qila and Qutub Minar, religious places like Jama Masjid and Lotus Temple etc. that one can visit in Delhi.

Thus, we can see that India is a fascinating country and India tours and Travel India packages can offer a lot to tourists.
