A home to the breathtaking attractions and blissful ambiance, Kerala is undoubtedly one of the most sought after tour and travel destination located at south-western region of India. Mother-nature has blessed this state with such heart-gripping attractions whose significance can not be described in any human and visual delight. To explore this state once in a lifetime is like a dream comes true. It is an ideal holidaying destination for those who wish to spend their vacations in the lap of mother-nature. From refreshing hill stations, turquoise blue water, wildlife parks, mesmerizing waterfalls to exclusive backwaters, it has every thing to offer to the nature-lovers.

Besides its breathtaking attractions it is equally famous for its exotic food, excellent hotels and warm and hospitable people. It has so many things to offer that you will be spoiled for choices. Among innumerable amazing attractions, backwaters are very popular among visitors truly a heartthrob of state tourism. Most of the visitors even visit this state only to explore and experience its amazing backwater and houseboat cruise which takes tourists in the world of wonders and leave them spellbound.

Backwaters are the perfect merge of brackish lagoons, lakes, inlets and many rivers which team up together and form the breathtaking locale that can be well experienced through Kerala houseboats a predominant way to experience amazing beauty of â€˜Godâ€™s Own Countryâ€™ Kerala. It is gifted with innumerable astonishing backwater destinations but none can be explored without houseboats of the state also known as Kettuvallams in the regional language. Before the advent of roads and good transportation facilities in Kerala, houseboats were used as the major source of transportation takes one things to another place. But later these houseboats were modified with contemporary facilities and today contributing the large source of revenue in its economy.

Houseboats of Kerala are extra ordinary and offer all the luxuries to the visitors and give them unforgettable holidaying experience. The common features of houseboats include deluxe rooms, hygiene toilets, kitchenette, lounge, deck and many more. houseboats in kerala takes tourists not only through amazing natural beauty but at the same time give them an opportunity to know something about its amazing and incredible culture. The major thing about houseboats is that they are eco-friendly and do not create any kind of pollution. Kerala is gifted with innumerable backwater destinations where you can go for houseboat cruise named as Kumrakom, Allapuzha, Kottayam, Kovalam and many more.

All the backwater destinations are beautiful having their distinctive features. Among many Kumrakom is one of the finest backwater destination located at the picturesque â€˜Vembanad Lakeâ€™ well-famous for its national bird sanctuary home to the species of birds and aquatic animals. Besides, it also offers spectacular landscapes of nature where your eyes will be at peace with mesmerizing views of lush green forests, crystal clear water, and palm and coconut groves in front of it which never fail to lure the heart of any individual. Its significance and charm is also mentioned in the â€˜God of Small Thingsâ€™ a well-famous novel written by Arundhati Roy.
