Article published on February 9th 2012 | Travel

There are so many attractions and destinations worldwide having their great features. Well if you are passionate traveler and looking for an exotic, worldâ€™s best destination then look no further than Singapore a city state in south-East Asia. Initially founded as a British trading colony in 1819, it has become one of worldâ€™s most prosperous countries and boasts the worldâ€™s busiest port. World-famo for its great shopping and lovingly called shopperâ€™s paradise, it is a place like no other destination in the world. Every year from every nook and corner of the world, people visit this country in a great number. Whatever are you looking in your vacations; it perfectly knows how to make it possible in Singapore.

With great beaches, lush green vegetation, bustling markets, exciting nightlife, towering skyscrapers and various sightseeing spots, it encourages tourists to visit there at least once in a lifetime span. What anyone can articulate about such nation where tourism is the major contributor in economy as it engaged with so many tourists activities throughout the year. Apart from, its innumerable attractions and amazing destinations if there is anything which fascinates tourists most then its unique culture. Here one can experience the perfect blend of different culture as Singapore prides itself on being a multi-racial country, and has a diverse culture despite its small size.

Though this country is a secular city but boasts multicultural population. Singapore celebrates Chinese, Muslim, Indian and Christian holidays. Considering touristâ€™s vacations and values we have strived to design Singapore tour packages in such way which brings almost every attraction to the visitors and give them a remarkable holidaying experience. apart from visiting and exploring several attractions if there is any other thing which tourists will prefer to do while visiting there then itâ€™s great shopping as it is often referred as shopperâ€™s paradise.

There are so many attraction places to explore in this country and Sentosa is one of them an island destination most visited by vacationers during Singapore tours. If you are beach lover or simply wish to spend your vacations away from hustle and bustle of life then it is the finest places to get in. home to the stunning beaches named as Palawan Beach, Siloso Beach, and Tanjong Beach, Sentosa is a place like no other places in the world. Due to several beautiful beaches and moderate climatic conditions it is also considered an ideal place for several beach and adventure activities including swimming, surfing, sun-bathing and many more.

While visiting this stunning island donâ€™t forget to experience Sentosa Underwater World one of the largest tropical oceanariums in Asia that is top of the list of Singapore key attractions. Apart from there are many other attractions that can be explored through Singapore packages such as Riverside, Orchard Road, Marine Bay, Chinatown, Little India and many more.

Trip to Singapore would not be completed unless you do not go for shopping as it has an abundance of shopping malls, and low taxes and tariffs on imports coupled with huge volume mean that prices are usually very competitive.

Singapore trip is full of excitement, enjoyment and trill and always double the excitement of different kind of visitors. Choose the right tailor made holiday packages and make your vacations an unforgettable holidaying experience.
