Luxury Bus Rental- Luxury Coaches Wherever, Whenever by Walker Andy

Article published on February 2nd 2012 | Travel

Planning a wedding? Surprise party? Family vacation? Make any event special with Self Driven Car Rental. Our fleet of luxury cars and coaches promises full entertainment of the travelers. Our comfortable luxury bus rental and coaches feature rich leather seating for 20 to 40 people. During your journey, the guests can entertain themselves watching music videos, news or any major gaming event on the flat screen television.

All Self Driven Car Rental comes with modern conveniences like the wireless internet connection that is perfect for commercial travel. Whether you are planning for a family travel or a corporate travel, we at Self Driven Car make sure that your demands are fulfilled. Our luxury bus rental comes with customized options to accommodate the schedule of our clients.

Feel free to call us at any time and letâ€™s plan a special event which your friends, employees, clients and acquaintances will never ever forget. With Self Driven Car Rental, you will get an extensive selection of the vehicles including 25 seater passenger charter buses, 40 seater passenger charter bus and luxury buses that can accommodate about 50 to 60 people. Likewise, our luxury bus rental also includes exotic party buses or mini buses that include room for parties of about 20 to 40 passengers.

We also provide an exceptional fleet of cars including Mercedes and town cars for corporate or personal use. These are all available upon request. Being luxury charter bus experts, we have confidence in our available fleet of vehicles to provide you satisfaction with our own means of transportation. We look forward to offer you with comfortable transportation whenever you would need us.

Our on call experts are available to listen to your needs at all time and to ensure quality and reliable luxury charter transportation during your trip. At Self Driven Car Rental, we strive to offer our clients with the best ever bus charter traveling experience. Our luxury bus rentals are cost effective. We provide you an efficient way to plan a group travel. We have our own large array of cars and vehicles available for our clients anywhere in the Indian Subcontinent to fit into your travel needs.
