If you are searching for a packing and moving company that offers the removals service to shift your home outside Melbourne or in any part of the country Victoria, Melbourne Movers Packers is also here to serve you.

Why Melbourne Movers Packers?

1. Cheap furniture removing services: This starts with just 50 dollars per hour for a man with a van. If you have large items in large amounts, you need 4 to 5 ton of truck to move from one location to another. We have also the best solution for this. We have 4 ton truck with 2 men. The charge of this is just 100 dollars per hour. If you want cheap moving for more items that are not enough for 4 ton truck, you can also hire our bigger 2 men and a truck of 5 ton. The charge of this is just 110 dollars per hour. In addition, there will no fuel charges applicable to you. You just have to pay your priceless time with us and we will be with you always until your whole moving work completes.

2. Our services are reliable: We will be there at your home on the time that you suits and we will charge you only for our services as mentioned above. Also, we will be there always with you until our jobs are finished.

3. Professional removalists: We, Melbourne Movers Packers, possess the best, well trained and experienced professionals. Not only are our moving trucks are neat and clean, our professional removalists are neatly uniformed and also very careful when it comes to move your belongings to any other place within or outside Melbourne but inside the country Victoria.

4. Insurance: We are insured for any unexpected and worst circumstances and we are responsible for the safety of your possessions during our working hours. The truck and men hire from us for your belongings will always be there for the security and safety.

5. Careful packing of possessions: We are here responsible for the careful packing of all your belongings before moving. Your each and every big and small possession will be cleverly packed and protected with padding from our professionals in order to minimize the risk of movement of truck on the way during shifting from one location to another.

6. Safety of fragile or large breakable items: We are here for safe and secure home and office relocations Melbourne. Whether this is a fish tank, a bulky and heavy classic piano or a pool table, Melbourne Movers Packers are here to move these with scratch proof and damage proof shifting. We know very well about how to manage this tricky business in order to shift your belongings to any location.
