Article published on February 15th 2012 | Travel

Travel can take you to an experience of introspection. What place could be better than Nainital where nature meets God in order to lure humans from every corner of India and world? A Nainital tour could be an ultimate realization of what your inner quest is and where could it lead you with all your anxiety and enthusiasm. A hill station with many temples making the environment serene every time you wish to feel the vibrancy of the Divine is what sometimes we need desperately even without knowing it actually. Nainital travel can give you that most needed escape once you realize the rejuvenating effect of living near Lake Naini and boating in it as and when time permits. Then all your exercising needs are well taken care by the various sports activities. You just need to be involved into it.

Nainital is one of most beautiful hill stations in north of India and hence a Nainital tour is always suggested to you by your near and dear ones. At height of 1938 meters above sea level, it is known to be the place where eyes (â€œNainaâ€•) of Devi Sati fell due to which it gets its name from Hindu mythology. Located in the Uttarakhand state, this place is also referred as the 'Lake District of India' because five lakes including the lake Naini. Naini Lake is surrounded by hills and is the most prominent one among them. This place with unparalleled scenic natural beauty, glistering lakes and salubrious climate is recommended by couples, travelers as well as doctors. This makes it a popular hill resort. Nainital Travel will include some of the well known tourist attractions.

Naini Lake is a natural freshwater lake surrounded by the seven encompassing mountains makes an enchanting and mesmerizing view with a rather eerie sunrise and sunset. Boating is another integral part of this lake as its beauty. It will be most memorable part of your Nainital tour. Your Nainital travel is incomplete if you are not at Naini peak (also known as China Peak), the highest peak of the town with an altitude of 2611 meters situated at a distance of 6 km from the town. 360 degree view of the Himalayas and Nainital is what one gets by coming over here. Pony or Horses and trekking are among options to reach here. Your skills at photography get tested here. At an altitude of 2100 m, one has more to see as attractions of Nainital travel. Known as the Govind Vallabh Pant Zoo, it attracts nature lovers just as wildlife lovers. Varied collection of flora and fauna and wild species allure kids and grownups alike. Time for fun in Nainital tour!
