New York City is one of the hottest tourist destinations across the world and is a dream place for just about anyone for recreation, entertainment and leisure activities. Huge skyscrapers and iconic landmarks are something that can well define the city. It is very densely populated city which remains busy 24/7. Due to this, NYC is known around the world as a city that never sleeps. There are a plenty of historical landmarks and worth seeing places in NYC. The city offers diverse culture which is a blend of people belonging to various cultures, traditions and races from across the world. In the multicultural environment of NYC, anybody who visits the city from any part of the world feels at home. Transportation in the wonderful city of New York includes private cars, taxi, vans, buses, coaches, trains and air transport.

The trend of online limousine booking is increasingly becoming popular in the modern era. The city of New York offers online booking services for all kinds of limousines including sedans, SUVs, stretched sedans, stretched SUVs, luxury vans, limo buses and many more. The popularity of online booking is due to the facts that it is time saving and economical and is suitable for all kinds of people. With online limo booking, you get the convenience of managing your transportation while on your desktop anywhere in the world. It does not require you to travel to their office and make a booking, you can manage your transportation and transfer prior to your arrival at a certain place. The different popular kinds of limousine booking services in the New York City include:

New York Car Hire

When talking about car hire, it usually means hiring a sedan or a SUV vehicle. People hire cars in New York for attending various events and occasions. The limousine hire companies offer special packages for different events. Some of the popular events include night on the town tours, prom parties, wedding ceremonies, family outings, airport transfers, business travels, corporate travels, personal parties or just about anything. The most popular of all sedans include Mercedes Benz S Class, BMW 7 Series and Lincoln Town Car L Series. Among the Sport Utility Vehicles SUVs, the most popular ones include Chevy Suburban, GMC Yukon XL and Cadillac Escalade. These vehicles are usually suitable for solo travelers or couples with a maximum seating capacity of 3 passengers comfortably.

Online Stretch SUV Booking

Stretched limousines are the most expensive and luxury limousines. They are the ultimate choice of rich and status conscious people. The stretched limos have long been a symbol of wealth and class. May they be stretched sedans or SUVs, people hire them to impress others. The stretched SUVs are larger than stretched sedans. They are special vehicles with a comfortable seating capacity of up to 18 passengers. Stretched SUVs are ideal for large families or a group of up to 18 people. The most popular of all stretched SUVs include Hummer H2 Stretch and Escalade ESV Stretch. They limousines consist of extraordinary amenities and facilities. The Escalade ESV stretched limo has a special VIP area at the back which can accommodate up to 4 people comfortably.

Online Van Booking

Aside from the regular sedans, SUVs and stretched limos, those who are a large group of people or a family desiring to travel in limousines with style can also hire special limo vans. The Ford E-350 is a special luxury van which is perfect for up to 14 passengers however large groups of people can also make online bus booking. The limo buses offer a comfortable seating capacity from 24 to 48

passengers.
