Savour the Flavour of the Incredible Chennai by Bewan Smith

Article published on April 20th 2012 | Travel

Located in the Southern part of India, Chennai is the capital of Tamil Nadu, which is also the fourth most densely inhabited city in Tamil Nadu. With the rapid industrialization that started in Chennai until a few years ago, it will be true to state that Chennai is now known as â€œDetroit of the South.â€• Chennai was earlier known as Madras when the British began its colonization which then was a small fishing village.

Howâ€™s it sound to you when we say Chennai is neither contemporary nor ancient?

Many people seem to hold a different notion altogether about the charisma of Chennai when they rover in and around the fifth most populous city in India. It is definitely true to state that Chennai is the fascinating combination of both the worlds whether it is modern or full of history. It is at times known as â€œGateway to the Southâ€•. Chennai is situated on the Coromandel Coast of the Bay of Benga and has broadened its horizon in different domains that have taken over the entire world by storm.

It is deeply soaked in culture and history which have been on their wide existence since ages. It is among a few IT hubs in India along with Bangalore and Hyderabad. Many IT giants seem to have established their roots on the soil and thatâ€™s what has created a revolution in the IT industry. You can grab the best deals on cheap flights to chennai if youâ€™re looking for having the time of your life in Chennai.

Chennai is one of those hypnotizing cities in the Southern part of India that has left myriad Indian and International travellers come back for more. Once you land on the ground of Chennai, you would not want to wait for the moment when you are left absorbed in the ecstasy of its natural beauty. The city of Chennai caters to the diverse needs of the tourists in terms of getting them familiar with the sparkling beaches, great shopping, amazing nightlife, and other places of interest.

If you are a beach explorer, you can begin your day with Marina Beach, which is one of the longest beaches in the world as it is more than 12 kilometres long. It is the beach that attracts so many people as the beauty of this beach is truly incomparable. How does it feel to take a leisure walk on a sun kissed beach with your beloved one? Wow! A feeling so irresistible that makes you go weak in the knees. It simply cannot be elucidated in mere words. Watching the sun hiding behind the Orange sphere is a wonderful experience and so is the first light.
