Article published on December 29th 2011 | Aviation

Brisbane is one of the most beautiful places in Australia and is named after the Brisbane River. This city is the capital of Queensland State and one of the most developed cities in Australia. It is famous for natural beauty, various tourist attractions, festivals and events. Scenic outdoors and adventure sports are some other attractions for tourists.

Flights to Brisbane are provided by numerous travel companies. The deals include holiday packages, hotel bookings, sightseeing, etc. Travel insurance is also a part in many deals. In the city, tourists can easily avail rented cars for sightseeing purposes.

The architecture of the city covers both skyscrapers and traditional buildings. Sandstone cathedrals and old colonial buildings are a part of the cityâ€™s heritage. On the other hand malls, large buildings and modern structures also dominate the cityâ€™s landscape.

The region has various coastal villages where tourists can enjoy their heart out. These friendly villages offer fun filled activities and delicious food. Visitors can relax and learn about the history and culture of these places. Picnics and barbecues are regular features in these areas.

Visitors can enjoy fishing, beach sky diving and joy flights in Redcliffe Jetty. One can participate in number of sports like jet skiing, windsurfing, etc. at Wellington Point.

Explore the Greater Brisbane countryside which is famous for enchanting mountains, lakes, historic tracts, national parks and wineries. The countryside also provides knowledge about Aboriginal culture and history.

Various tourist attractions and natural parks have led to an increase in flights to Brisbane. Visitors should definitely visit the Lone Pine Koala Sanctuary. Various sorts of animals such as koalas, kangaroos, Tasmanian devils, wombats, echidnas and different sorts of reptiles are present here. Visitors can actually hold the beautiful koalas for a reasonable fee. They are also allowed to feed the kangaroos. Numerous Australian Parrots, Cockatoos, Kookaburras and other Australian birds can be viewed in the park.

Brisbane has excellent connectivity with most of the countries and thus, flights to Brisbane are manifold. An excellent tourist spot one should never miss out is Moreton Bay marine sanctuary. Itâ€™s the perfect place for adventure sports like sand tobogganing, sailing, surfing, etc. Other than that, it has many natural wonders and is a suitable place to watch dolphins, whales and turtles. Various species of birds are also seen at this place.

The city is a great shopping destination and the people are lovers of art and music. Itâ€™s a great place to enjoy and relax. Thus, keep some days reserved in your calendar for a visit to this exotic destination.
