Regardless of the season, the stunning resort town of Quinta do Lago offers something for everyone. This is the perfect place to take a holiday whether you are travelling alone, as part of a couple, or with the whole family. The lush Four Seasons Fairways is an exclusive resort that is located in the heart of Quinta do Lago and as close as possible to the golf courses in the area. Stunning villas set amongst a back drop of beautiful gardens make this an incredibly popular location for a golfing holiday.

Accommodation

The accommodation options at the Four Seasons Fairways are as luxurious as a five star hotel yet offer complete freedom for visitors to come and go as they please. There are a selection of villas and apartments available and each is set in its own private space enabling guests to feel completely at home in secluded surroundings. Every apartment and villa at the Four Seasons Fairways has its own private pool, outdoor Jacuzzi and barbeque area, all of which are ideal for families and couples alike.

Wi-Fi facilities and satellite television ensure that all of your entertainment needs are met whilst the luxurious decor in the bedrooms and bathrooms will make most guests want to remain in their accommodation for the length of their stay. A fully fitted kitchen is also included for guests who would rather cook for themselves than visit the on-site restaurants. Air conditioning and heating is also available in all apartments and villas enabling guests to remain at their most comfortable.

Amenities

For guests who are able to tear themselves away from their luxurious accommodation there are a variety of facilities just a short walk away. The Four Seasons clubhouse is a popular place with guests as it offers both an outdoor and indoor swimming pool, snooker, squash and tennis facilities and a gym - this is great news for those who like to keep active during their time away. Additionally there is also an on-site restaurant and bar that provides a wide selection of international cuisines. Those choosing to dine here can book a table inside or opt to dine outside on the terrace if the weather is nice.

Golf

The main reason why many choose to stay at the Four Seasons Fairways is to have access to some of the best golf courses in the Algarve. The courses in Quinta do Lago have hosted the Portuguese Open an impressive eight times and are said to be amongst the best in Europe. Guests choosing to stay at the Four Seasons Fairways will be happy to know that discounts of up to 25% are available to them at some of the golf courses in the area for the duration of their time at the resort and with the courses being within a short drive from the resort you should have no trouble fitting in at least one game per day.
