The Second Busiest Airport of UK by Steven Ralph

Article published on July 10th 2012 | Travel

London Gatwick is one of the worldâ€™s most popular airports. It is the UKâ€™s second busiest and world busiest single-runway airport which witnesses approximately 52 aircraft movements in an hour. Gatwick airport is situated at an approximate distance of 30 miles towards the south of Central London in Crawley, West Sussex County. The airport is equipped with latest and high tech facilities. A total of around 33.6 million passengers traveled through the gates of London Gatwick which is a fairly high amount of traffic. It is owned and operated by BAA which is a multinational consortium owning some of the other major airports of UK as well. Taxi hire from Gatwick airport to Reading and other major towns of United Kingdom require you to pay least expensive fares providing superior class services.

The Gatwick airport is ranked second in United Kingdom after the London Heathrow airport which is the biggest and busiest of the country. Gatwick has all world class facilities which are suitable for all kinds of travelers. The special MPVs for disabled travelers are available at the airport at budget friendly prices. For those arriving at the airport and looking for private transport, the airport offers discounted car hire from Gatwick airport to Reading and other major locations of the country. You can also hire self driven private cars at very competitive rates from the airport. The booking offices of all the major transportation companies of the country are located at the airport. Aside from this, they also offer special packages for tourists and people visiting for a special event or occasions. The self driven private cars of all kinds are available at the airport which includes economical sedans, SUVs, to highly luxurious and expensive limousines like stretched sedans and stretched SUVs.

Looking for taxi hire from Reading to Gatwick airport requires you to either book online via website or mobile application/site or by calling the 24/7 helpline of ground transportation firms in UK. The concept of online booking has recently got popular and is currently on the rise. The travel and tourism industry is turning towards online bookings and payments in order to save time and money of their valued customers. The London Gatwick airport is also popular and the leading airport in entire Europe for point-to-point flights. The airport has two terminals. One terminal is located in the North while the other is in the South of airport. The name of this airport was first written as â€˜Gatwikâ€™ however later it was changed to â€˜Gatwickâ€™. The shops, cafÃ©, restaurants and bars of all kind are available departures lounges of both, south and north terminals of Gatwick.

If you are looking to book a car or taxi online to or from Gatwick airport and are in search of the best company for this purpose, CrossCab is the one and only name in UK. They have been providing online booking services since a long time. The taxi and car hire from Reading to Gatwick airport is offered at highly affordable rates by the Reading based online taxi booking firm CrossCab.
