Thrilling Experience of Sunderban National Park by Rahul Ranjan

Article published on February 20th 2012 | Travel

Sunderban National Park was established in May 4, 1984 and it is famous for mangrove forest as well as the worldâ€™s largest delta which is the result of confluence of three important rivers the Brahmaputra, the Ganga and the Meghna. The location of the Sunderban National Park is so attractive that people love to spend their holidays in its ambience apart from the company of other animals. Tourists just enjoy the thrilling experience by moving in this national park and enjoying flora and fauna of this region. Here you will get a unique ecosystem due to the presence of mangrove forests. The presence of world famous Royal Bengal Tiger is one of the major attractions of this national park apart from the other animals like crocodile, chital, estuarine, monkeys, dolphins etc. Here you will enjoy the company of numbers of mongooses, hundreds of fishes, more than 25 species of reptiles and many other animals with their attractive features.

If you are interested in Sunderban Special Tour which is conducted by the Government of Best Bengal, then you can easily know its detail through online. For this you have to start your journey from Kolkata Airport and you will have to go for about 3 hours drive to reach Sunderban. Staying in the Sunderban National park is not a problem as there are numbers of hotels and resorts which are equipped with entire modern amenities amidst the wild life. Tourists enjoy their tour with Sunderban special tour as they enjoy the opportunity to stay in the luxurious hotels and Sunderbans along with the company of various animals. If you want to avoid any type of discomfort and inconvenience then you should go for online booking. Tourists should also carry their camera with them to catch unique glimpses of the wild animals.

Most of the tourists are interested in Sunderbans Weekend Tour. It will offer you the opportunity to enjoy the thrilling experience of the wild environment with unlimited excitement. There are numbers of other attractions also in Sunderban National Park which includes Kanak, The Sajnakhali Sanctuary, Netidhopani, Piyali, Bhagabatpur, Holiday Island and many others. In this national park there is a special reserve for crocodiles and tigers. You will gather lots of unforgettable memories in exploring this national park. Your enjoyment of trip doubles when you get the luxurious facilities in the hotels and resorts of the Sunderbans along with the mouthwatering dishes. You should book your trip as per your desire and requirement through online especially in the months in between April to November as these are the best months to visit this national park.
