Visit Tenerife to Enjoy the Summer Weekends in a Tropical Way by Julia Roger

Article published on April 5th 2012 | Travel

Being the largest of all the Canary Islands and present within the Mediterranean coast, Tenerife is very popular among tourist from all over the world. The island may have some beautiful landmarks to offer but the place that attracts tourists the most is Siam Water Park. This is one of the finest water parks in Europe and boasts for many different and exciting rides. Within tenerife karting is also extremely very popular activity for adventure lovers.

Karting Club de Tenerife, located near TF1 motorway, is one of the places within the island to enjoy this adventurous activity. It will be full of fun. After all, you can feel like the legendary Schumacher for once. Fast cars are on the move and your adrenaline is pumping. Will it be easy to control those wildernesses that are hidden within the core of the heart? Price for per person is within 12 â€“ 20 euros. During holiday trip, you definitely can afford to spend it!

While at tenerife accommodation facility will not be a problem. There are plenty of budget hotels and travellerâ€™s inn available within the island. Accommodation is reasonable and moderately priced. So, it will not take too much investment from your side for lodging purpose. One thing that is worth mentioning is food. Itâ€™s simply exquisite. The foods are Canarian specialty with a touch of Mexican and African culture. Umm, they are some hell of mouthwatering delicacies. Some of the popular delicacies include Gofio, Sancocho Canario, Caldereta de Pescado, and bienmesabe. Among the beverages, ronmiel is quite popular and is served right after main meal dessert course.

This island is well connected through air. Flights from different parts of Europe and America are available. So, it will not be difficult to book your tickets for this sizzling destination during the summer vacation.
