Traveling from Mumbai to New Delhi can be a big hassle and may cause a loss of comfort. However, there are ways to make your air travel form Mumbai to New Delhi. Here is a look at some things that need to be done to make the whole experience comfortable:

â€¢ You should bring a small and easy to carry bag. This will help you to carry a lot of things that you need to use and consumer in the flight. The right way is to simply check for the various items that are allowed in the flight. Donâ€™t bring anything that can cause a hassle while you are going through a security check.

â€¢ Make an effort to arrive early at the airport. The airport has a lot of things that need to be done before you board a flight. This involves checking in for the flight and also going through the security checks. At times you may also be delayed before the flight leaves as there are many people who will slowly move through the security check. This may cause a delay. The key is to simply be on time.

â€¢ Always carry a baggage that is not very common. This is important as most of the times, the baggage get mixed up in an airport. A good trick would be not to carry a common black color bag as that can cause a confusion. Always look for a color that stands out.

â€¢ When you collect your bags, be a little proactive. The baggage claim area will have a lot of people waiting for their turn. The key is to simply wait for the people to carry on with their work and then take your baggage and move out. Also you should be there on time and should not waste your time waiting in the cue as that can cause you to be delayed. Always be there before others. Your effort should be concentrated on taking the baggage first and then going on with other tasks on the airport.

â€¢ If you are traveling from Mumbai to New Delhi with your children, you should pack some snacks and some things that can keep the kids entertained when they are in the flight. The kids can easily get bored on a flight. Carrying such tings make sense as they will not irritate you then.
